WANTED — Organisers for Counties events. Must have computer skills!

No organisers, no events!

This was my last ever promotion having clocked up something approaching 100 events but sadly the intricacies of Internet Entry are beyond me and I have had to rely on others to help me through my last couple of events.

Anyway the weather gods looked favourably upon us, you all got back to HQ safely and there were a number of PBs recorded. What more could an organiser wish for?

I thank you all for your support and extend my congratulations to all the prize winners.

As I always say — No event is possible without the vital input of the officials, so on your behalf I would like to thank members of the Basildon CC, Braintree Velo CRC, Chelmer CC, Eagle RC and Woolwich CC for policing the course. Thanks are also due to your timekeepers Tony Brown and Peter Smith and of course to Netta for the welcome refreshments.

Last but by no means least I must thank Keith West, the Counties webmaster, for doing all the IE stuff for me!

Have a good season.

Trevor

BOLTON FUND This fund exists to help riders of all ages but especially the younger generation who would like some financial assistance towards the expenses of a particular project. Some examples are donations to Maldon & District CC Youth Team competing in the Certini 2-day stage race in Devon in 2007 and at the other end of the scale Kevin Gill's more recent attempt on the Master's Hour Track Record at Newport. So if you would like some help just drop a line to the ECCA General Secretary or Chairman — see our website for address — outlining the cause and likely expenses involved for our consideration at least six weeks beforehand.
