From the comments I've received, the new D100/6 course, which is an attempt to get away from Prees Heath and the A41 particularly during the later morning, appears to have been reasonably well received despite the traffic levels at Tern Hill and of course the infamous Peplow Pavé!

The rising wind and temperature during the morning did make life a little uncomfortable for some riders but it didn't dent the competition. Local rider Victor Chetta came out on top this year with Dominic Hill, visiting us again from London, going one better than last year with second place. Another local rider, Kirk Vickers rounded off the top three.

Top two women were from the home Associations, Janet Fairclough and Helen Tudor, both going under 5 hours.

Phillip Warburton was top Veteran on Standard with an impressive +55:47.

The winning team were Liverpool Century with an aggregate time of 12:37:27

For the first time in a number of years, we had a tandem and true to form, Becky and Howard Lewis rode a great 3:42:48!

Thank you to all riders for entering the event and I hope we will see you back next year.

Congratulations to all prizewinners and to Victor and Helen, our 2018 SCCA 100 Mile Champions.

Again, all Timekeepers, officials, marshals and helpers turned out in force to make the event run so smoothly and safely - thanks to each and everyone of you. A couple of quotes from riders:

"Thanks for a superbly organised event, I really enjoyed it. Amazing number of marshals out on the course so thank you to everyone who gave up their Sunday morning - at least the sun was shining for you."

"Despite being a hot one towards the end, it was an enjoyable, well-organised event with great snacks at the end too"

Prizes will be posted to all winners in the next few of days.
