Course details;

Start: 36 yards after speed derestriction sign on southbound exit from East Stoke on old A46. Proceed south to Turn Left at traffic island (near Eden Hall) to pass over A46 to Turn Left onto A46 southbound slip road. On A46, proceed south to take slip road from A46 to new traffic roundabout at junction to Cropwell Bishop & Cotgrave (Stragglethorpe Junction). Take 4th exit to pass under the A46 to second roundabout. (Approx 10.36mls.) Take 3rd exit to slip road onto A46 northbound and proceed towards Newark. At Farndon roundabout take first exit onto old A46 (Fosse Way). (Approx 23.12mls.) Proceed south on old Fosse Way to Finish at start of fence on RHS at gateway to River Trent and just before Stoke Warren Farm on approach to East Stoke. (25.00mls.)

Safety:

In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise you to wear a hard shell helmet that meets an internationally accepted safety standard and have a working rear light (flashing or constant).

Do not stop at the finish timekeeper but proceed for a short distance, make a U turn when safe to do so and return to the HQ where your time will be displayed.

Traffic counts have indicated light use of the A46 on a Saturday afternoon, however, it is still a major trunk road so please take no chances and ride safely. Your welfare is worth more than your PB.

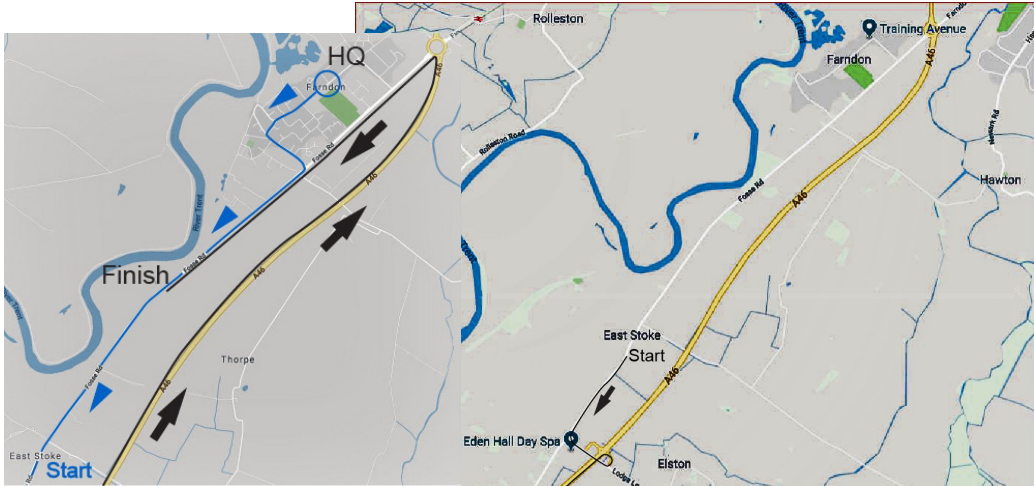

Start and warm up:

To get to the start proceed south along Marsh road then left onto Main St then right onto Fosse Rd. You are now on the last mile of the course so be aware of riders finishing. Proceed quickly and in single file past the finish making it obvious that you are not racing. The start is just after East Stoke. Please warm up south of Eden Hall traffic island. Between Farndon and Eden Hall please be aware of riders starting and finishing on this road

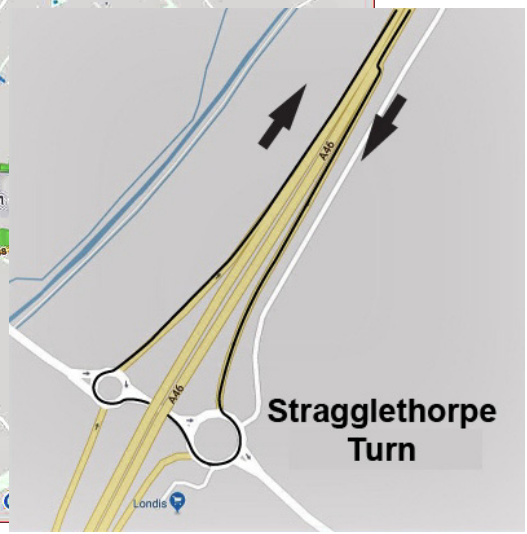

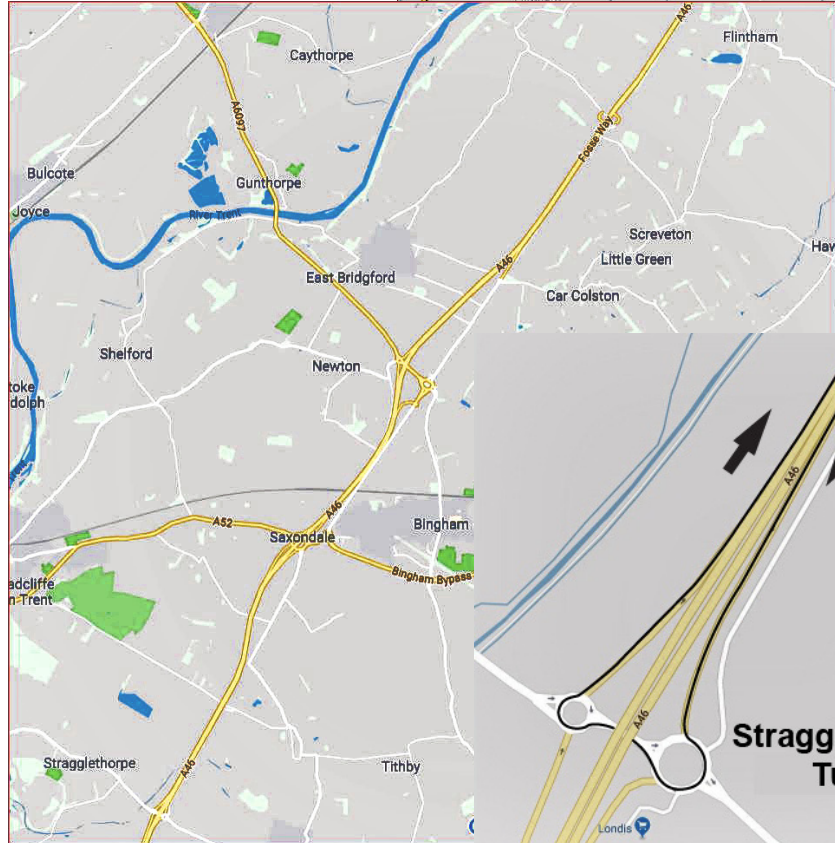

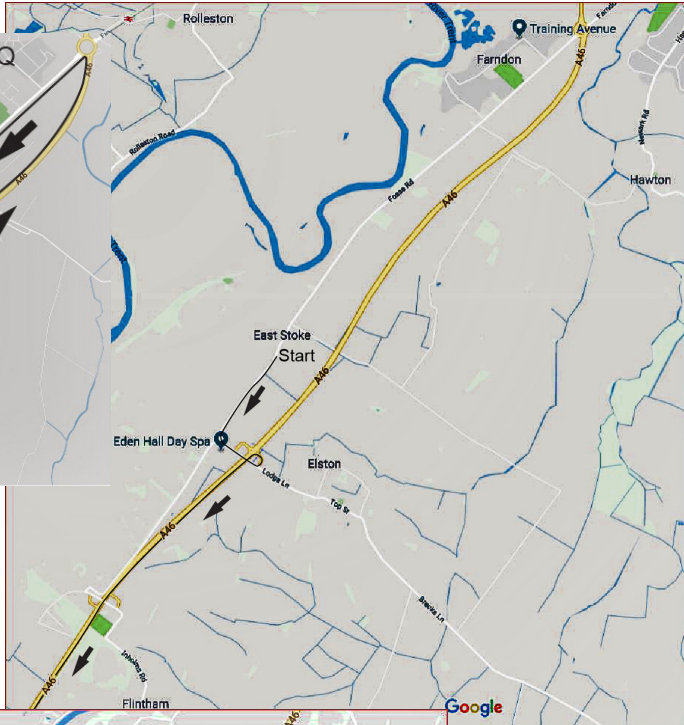

Parking and Changing at the HQ

Space has been set aside for riders to change in the HQ so please use it. Local residents have been alarmed at activity in the parking area and there is a park and play area adjacent to the parking Please be courteous when parking as this is a residential area

No cleated cycling shoes in the hall

WATTS FOR RACHAEL

Everybody here today should be aware that the VTTA National Secretary and Top Time Trailist

Rachael Elliott had a stroke a few days before her 40th birthday in March

Rachael has been such a supporter of the VTTA even before she was eligible to ride its events and as a friend of the Organisation she will be here today again helping and making the day a success

I have decided to donate the prize money and any profit from the event to the Stroke Association so please be generous

There is a Just Giving page set up by Glen Knight who is doing the Ride London on the 29th July in the **#WattsforRachael** name

VTTA 75 years of racing

If you are over 40 and interested in time trialling the VTTA is the organisation for you. We have 3000 members in our 16 regional groups. We promote 100 time trial events a year, 8 national championships, 3 season-long competitions, plus various competitions and trophies at regional level. We also organise individual challenges (called Standard medals) and national age records, and we produce four glossy magazines each year. It costs as little as £12 a year to join.
