Situated at the east end of Melbourne Village (Y042 4RD)

Parking

In the **marked area** on the field. **DO NOT PARK ON THE DRIVEWAY**

IN THE INTERESTS OF YOUR OWN SAFETY,

Cycling Time Trials and the event promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard. In accordance with Regulation 15 ALL JUNIOR competitors must wear Protective Hard Shell Helmets.

It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active whilst the machine is in use.

Please note that there may be heavier traffic than usual In and Around Melbourne due to celebrations linked to the Re-Opening of the Pocklington Canal

Start

This is located on the road just outside the HQ, approximately 3.5 miles southwest of the A1079 York to Hull road. Allerthorpe Lane end/Roundabout is approx. 9 miles down the A1079 from the A64 (York By Pass)

Numbers, Signing-On and Food

These will be at the HQ

Please fix with pins and not tape.

You need to ensure that you return, following your ride, to sign out.

You must sign in and out yourself. **Failure to sign out will result in a DNF** being recorded against a rider's name

Course Marking

Direction arrows will be displayed at all turns. Riders and helpers should look out for these.

Cycle Event warning signs will be placed for the benefit of other road users as defined in the course Risk Assessment.

Marshals

Marshals will be placed around the course to direct you to the next marshal point, they are not there to stop traffic in your favour. **All marshals will be issued with a long sleeved Hi-Vis jacket. Please wear this for your own safety and the benefit of the riders.**

Camping/Overnight Parking

Please note that this is not allowed at the HQ

Feeding Station

Food/Drinks/Sponges will be available adjacent to the start on each lap. Riders may have to stop to collect what they require.

Use of Motor vehicles (Not allowed in the 50)

Regulation 22 (use of motor vehicles) **allows** for assistance with a competitor's reasonable feeding and other requirements. A competitor shall not be overtaken by his support vehicle more frequently than once every 10 miles. Such vehicle should be driven at normal traffic speed. Riders should read the regulations and instruct their helpers that disqualification can result if obstruction or annoyance is caused to other competitors

The enclosed form should be handed in at signing on.

Drivers of supporting vehicles should take care not to cause obstruction whenever they park. Please take extra care on the finishing circuit, especially when parking up when your riders time has expired. **DO NOT PARK ON PRIVATE PROPERTY.**

Rider Notes

Riders encounter Allerthorpe Roundabout twice on each circuit. When emerging from Allerthorpe Lane encircle the roundabout and return into Allerthorpe Lane (except when on the finishing circuit). When approaching the roundabout on the A1079 proceed straight across (2nd exit), staying on the A1079.

Riders must obey all the rules of the road and all CTT regulations. During the event riders will pass through several villages. Please remain alert and beware of parked cars etc. at the side of the road.

Please note that Southfield Lane is narrow for the first mile or so. Please be aware of the Cricket Field on Sutton Lane. If there is a match on there are likely to be a number of parked cars on the verge.
