- London South District Regulation: No vehicles, except those of the timekeepers and event officials, shall be parked in the vicinity of the start and finish areas.
- Details of any additional hazards not listed on the start sheet will be displayed or advised at the Signing On point. All competitors must take note of these details when they sign on.
- Competitors must exercise extra care when negotiating all roundabouts.
- No times will be given at the finish.
- CTT regulations require the compulsory use of helmets for the under 18's. In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise all competitors to wear a hard/soft shell helmet that meets internationally accepted safety standards.
- Competitor's machines: it is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position clearly visible to following road users and is active while the machine is in use.
