Time for Rider No. 152 includes 2m 5s late start

Not the best of days but certainly not the worst this year on the E2.

Even so there were still 36 PB's and most importantly everyone got home safely.

I would like to say a big thank you to all my marshals and helpers who, as always, without them we could not run these events safely and efficiently.

A big thank you to Keith West for providing the excellent results board and helping me immensely.

Just a reminder - please make sure you sign out when you hand back your number to avoid a DNF result.

Safe Riding

Paul Hirst
