Id like to thank everybody who rode despite the conditions and the delays which were pretty much out of my control. I think we have two great champions in Karen and Simon with great rides on the day

I'd like to thank my Timekeepers Bill Stanley and 'Storming' Norman Portess (apologies for the unorthodox field placement, I will do better next time) and Iris Stevens who assisted so expertly. Also Russell Gent for his knowledge and MOCC for numbers and signs

Id like to thank all those from Nottingham & East Midland Group who helped on the day

My Marshalls Jim and David Goodwin and Aiden. Mike and Annette Spur, Bernie and Martin White for stepping up in the day in horrendously windy conditions

At the HQ Anne, Margret and Pat and the SPRC crew (for more numbers) Trevor and Steve for pushing off nearly the whole field

In the kitchen Fiona, Kara (for the bunting) and Maggie. Kathryn Smith, Wendy Gent and Rachael for the cakes

I'd like to thank Mick (and Barbara) for taking time out of a busy weekend to be with us extolling the virtues of art and exercise

Jimmy at JSJ Engravers for the trophies and the gifts expertly done

Lastly I'd like to thank Rachael Elliott the VTTA National Secretary for turning up and doing sterling work with laptop and cake tin in hand. I decided not to give prizes on the day but give all the money raised for the event to the Stroke Association who have been so helpful to Rachael since her stroke a few months ago We were able to donate £700 to **#wattsforrachael** appeal I would like to once again thank everybody on the day for their contribution and their co-operation

Just doing it

Time to hear the blackbirds  
fly through the wood  
over soft brown leaves

easy runner  
with nothing to prove,  
too old but to love..

...too young to sit still
