Finishing even if you have to run!

Thanks must go out to all who helped in organising and running this year, and to all riders who battled it out today!

Nice day for a hill climb. The sun was out, the wind was light, and riders gathered early, eager to sign on and get prepared for the ride. Even from the start riders, it looked to be a reasonably fast day, and there was an air of competitive spirit that saw the faster riders battle it out on the hill. One Lyme RC rider took this to heart when he suffered a mechanical close to the finish, and instead of giving up (having already caught a rider and passed him), jumped off his bike, picked it up and ran over the finish line to gain his time!!

As the numbers counted up, times came in and the faster guys were away, times started to tumble. Then they plummeted as Louis Szymanski of ABC Centreville raced over the finish line, with a 19:26 dead. Not even Lee Baldwin who came over the line with 19:46.7 could get near, nor the following riders, until of course Adam Kenway, who had said to me after he signed on that he was looked for a 19, flew across the line with a 19:12.8.

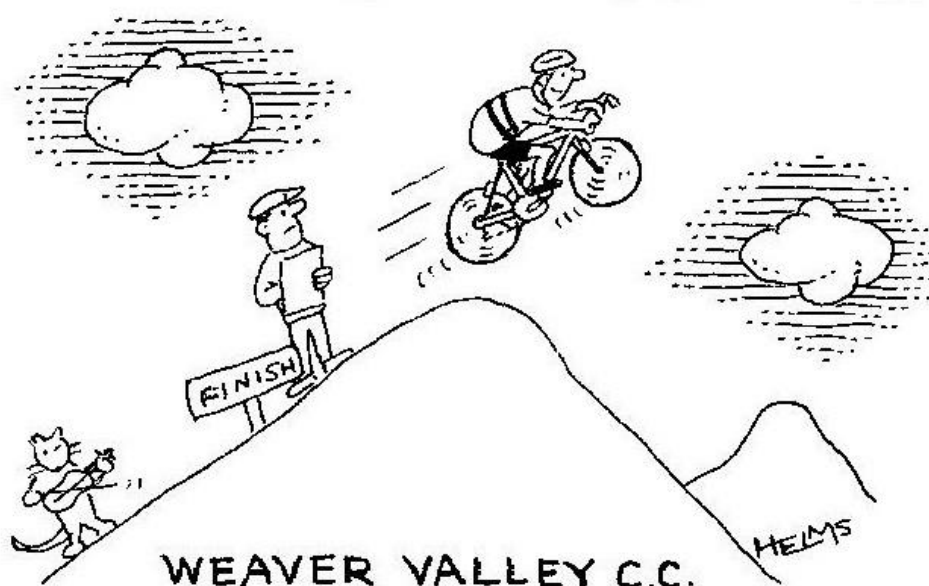

The ladies were equally impressive and even closer, with Elizabeth Banks taking the win with 24:28.4, only 3.5 seconds ahead of our own Jo Blakeley, racing for WVCC for the first time this year, (and previous cevent record holder when riding for Champion Systems Maxgear RT in 2013), and only 4.1 seconds ahead of third place rider Josephine Gilbet.

Not as fast as last year, with 24 riders (compared to last year's 35) finishing under 23 minutes, but nevertheless a decent day in the sun on the hill.

In the team event, Buxton and Lyme swapped positions again, with Lyme coming up on top.

I trust that all riders enjoyed the day. I hope to see you all again next year.
