## ADDITIONAL NOTES

Car parking is available at the HQ and in the lay-bys past the finishing point.

 Please park considerably on these roads

 Please DO NOT PARK on these roads

### LONDON WEST DC

We have received complaints from the residents of Bentley about inconsiderate car parking by cyclists taking part in Time Trials. In order to avoid these escalating we urge all riders to park considerably and not to obstruct footpaths especially on River Road where you should NOT PARK on the Eastern side between Main Rd and the new estate

To reach the start from the HQ in Bentley, go eastwards through the village to join the A31, cross to the right hand lane after 850 yards (there are lane markings) and then cross over to the South side of the A31 at the Gravel Hill road junction just short of the 'Bull' PH and continue for 760 yards to the lay-by start point.

The normal dual carriageway of the A31 has been reduced to a single lane at a point approximately three miles from the start. The left hand lane has been cross-hatched for a distance of approx 400 yards to finish at a point opposite the Petrol filling station just beyond the Hen & Chicken Public House situated on the north side.

Returning from the Holybourne roundabout on the north side of the A31 the road has been reduced to a single lane by road cross-hatching on the right hand lane commencing approximately 220 yards before the junction to Mill Court on the south side and finishing adjacent to the Hen & Chicken Public House on the north side.

Competitors are to act in a manner appropriate to competing on a single lane road whilst within the restrictions imposed by the road cross-hatching area.

After finishing, riders must not stop but continue to one or other of the central reservation breaks, cross over with great care and go westwards passing the start point lay-by and along the Bentley by-pass to fork left onto the slip road signposted 'Bentley'. Turn right at the 'T' junction to the Bentley Memorial Hall which you can see ahead of you.

*Respect the residents of Bentley – respect the parking advice  
Please allow at least 10 minutes to get from the headquarters to the start*

## LOCAL REGULATIONS:

No vehicles, except those of the timekeepers, shall be parked at the start or finish.

The start is on the opposite side of the carriageway from the HQ. Riders should only use designated crossing points and must not climb over the central reservation. Anyone seen doing so will be disqualified from the event.

## IN THE INTERESTS OF YOUR OWN SAFETY

Cycling Time Trials and the event promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard.
