Event Headquarters & Location of Numbers and Result Board

As in previous years, this will be at St Nicholas-at-Wade Primary School, Downbarton Road, St Nicholas. It is approximately One Mile from the start. The school is located just off The Street in the village almost opposite the Church. You may park in the playground. Please adhere to the 'No Smoking' policy in the school and leave the venue clean & tidy. Thank you.

*

Do not perform 'U' turns in the close vicinity to the start, and be aware that vehicular traffic is moving fast on the approach to the start from the direction of Sarre. Please use the toilets at the school. Please ensure your rider number is clearly visible (Reg. 16 the number should be centrally positioned below the waist so as to be clearly visible from the

rear when in the normal riding position. Also shout your number as you finish to help the timekeeper distinguish you from when on your first lap.

In the interest of safety, the CTT and event promoters strongly advise you to wear recognised standard protective headgear that meets an internationally accepted safety standard. CTT Regulations state that all Juvenile and Junior riders **must** wear such protective headgear.

Please keep noise to a minimum to avoid unnecessary disturbance to local residents.

Turbo trainers or rollers are not to be used at or in the vicinity of the HQ. Any rider that ignores this ruling will be subject to disqualification.

It is recommended that a working rear light, either flashing or constant, is fitted to the cycle in a position visible to following road users and is active whilst the machine is in use.

Event safety concern forms are available for those riders with comments and suggestions, which could significantly improve safety, and to bring these to the attention of promoters. These forms can also be used to notify CTT of equipment failures.

Those with a no time in the PB/LTS box have not declared a valid '25' time in the current or the previous three seasons on their entry form.

Please do not wear shoe plates in HQ.

On passing the finish timekeeper, you will need to stop before rejoining the Thanet Way and turn round in order to return to the HQ. Please take extreme care when doing this as there may be other riders still competing and other road users to be considered. To return to the HQ, return past the time keeper, turn left at the T junction and the right into Down Barton Road after 200m.
