OVERALL WEEKEND NOTES:

(Please read!)

A big welcome to all, looking forward to a great weekend and taking over the island with bikes!

The farmers of Bute have mostly finished their harvesting, as a consequence of the great summer and global warming. But in practice there may still be some tractors and the like on the roads. They will do their best for us, and similarly you are requested to behave responsibly around these.

All junctions will be marshaled; marshals will use red flags to help manage any general traffic. These red flags are not directed towards the cyclists!

Please adhere to the traffic laws during the races and also respect towards locals who may or may be favourably disposed towards bike racing.

Helmet required for all races. We also encourage use of rear red lights for time-trial events.

Huge thanks to our timekeepers and marshals, across a busy weekend; definitely couldn't do it without them!

SERPENTINE HILLCLIMB RACE INFORMATION:

This race is promoted for and on behalf of Cycling Time Trials under their Rules and Regulations'. Juvenile Serpentine event starts at 10.30, full Serpentine event starts at 11:00. All riders must be off the course before these races start. For the full distance, many riders choose to continue on up to the t-junction and turn right, as a safer way of coming back down to the start...rather than coming back down the Serpentine. However for the Junior race this isn't really applicable. Either way enjoy this iconic jewel of Bute ☺

'2-UP' TEAM TIME TRIAL RACE INFORMATION & COURSE:

This race is promoted for and on behalf of Cycling Time Trials under their Rules and Regulations'. Starts at *Sailing Club* (1/2 km outside Rothesay) at 13:45, riders head out around the main island loop in counter-clockwise direction, as shown in map below. All junctions will be marshaled.

After approximately 0.5 miles the course runs through a residential area, with the hazards that this can bring.

The finish line is just below on the HQ, along the main coast road. A 1 mile-to-go sign will be displayed.

10MILE TIME TRIAL RACE INFORMATION & COURSE:

This race is promoted for and on behalf of Cycling Time Trials under their Rules and Regulations'. New course this year only (our familiar Ettrickdale course has a temporary traffic light on it, and major repairs expected to be completed still nowhere in sight!). We are instead using a version of a course used for our annual Triathlon event, the 'Loch End 10'. This is probably best described as undulating, not flat but not hilly – a good course for sure!

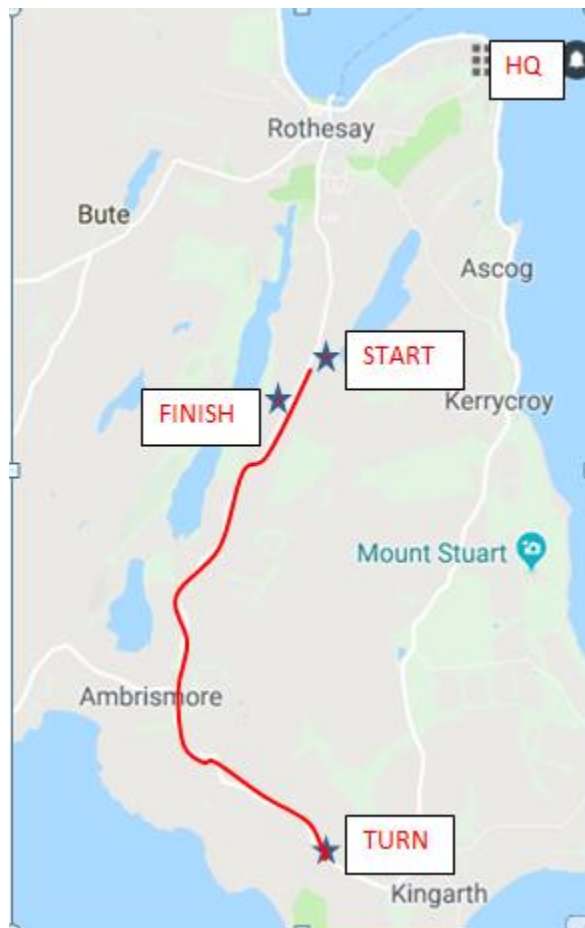

Start Time 10:30. To get to the start, head into Rothesay from HQ, turn left at traffic lights (only 1 set in Rothesay), and continue this direction for 1 mile approx.: past the Castle, past Rothesay Leisure Centre, past Rothesay Academy, on up a steady hill.

Race starts at Loch End small farm junction, travel out the B88, continuing onto the A844. After approximately 5 miles riders are turned around a dead-turn (marshaled). Please note Finish Line is 0.3 mile before the Start Line (or in other words, riders will have finished before they reach the Start line).

Notes

- Start line is approx. 2 miles from HQ; please ensure you do not miss your allotted start time
- No warming-up on course; one suggestion would be to use Rothesay Academy car-park area to set up turbos etc.
- Keep Start and Finish areas clear for other riders safety

NOVICE 20MILE ROAD RACE INFORMATION & COURSE:

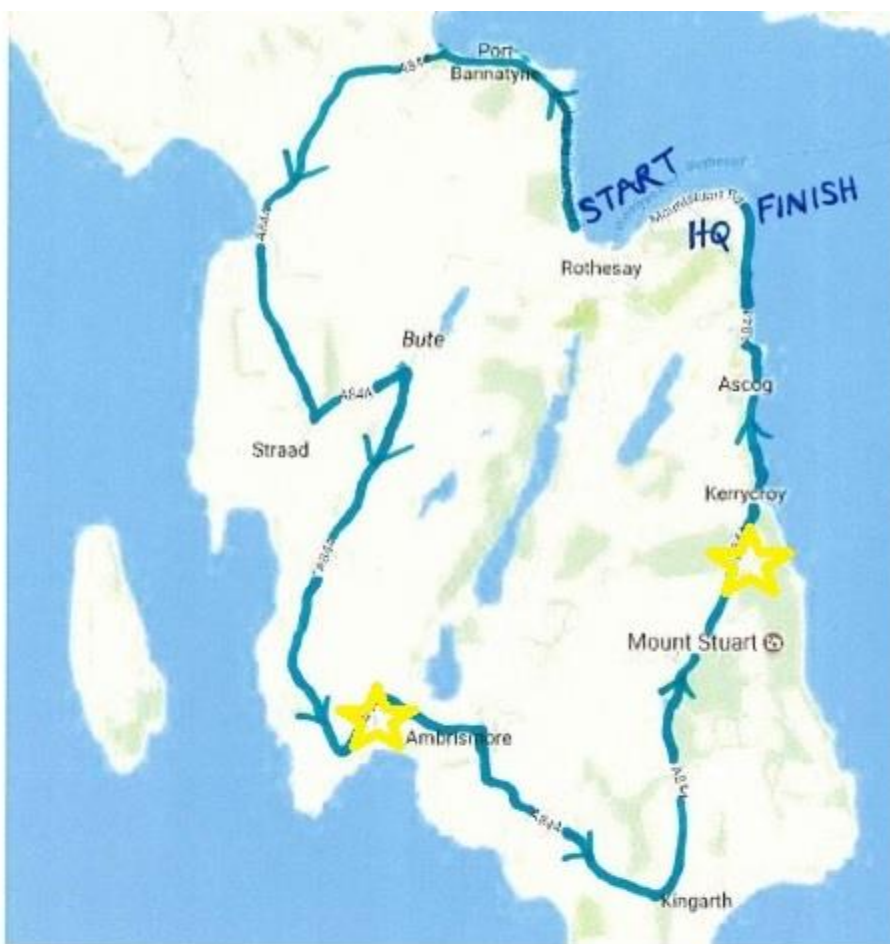

This race is operated under the Rules and Regulations of TLI Cycling. Starts at Sailing Club (1/2km outside Rothesay) at 13:45, the race heads out around the main island loop in counter-clockwise direction, as shown in map below. All junctions will be marshaled. The race finishes just below the HQ, along the main road; a 1 mile-to-go sign will be displayed.

Notes

- a lead motorbike will police the front of the race
- a car will follow behind the race

There are two bends that riders should exercise particular caution around: descending into Scalpsie Bay area and descending down Mount Stuart hill towards Kerrycroy village.

DANGEROUS BEND

APR 40MILE INFORMATION & COURSE:

This race is operated under the Rules and Regulations of TLI Cycling. This year the Race starts at 14:00 just below the HQ, proceeds around the island in a clockwise direction and then back anti-clockwise, to finish in same area as Start; a 1 mile-to-go sign will be displayed. All junctions will be marshaled.

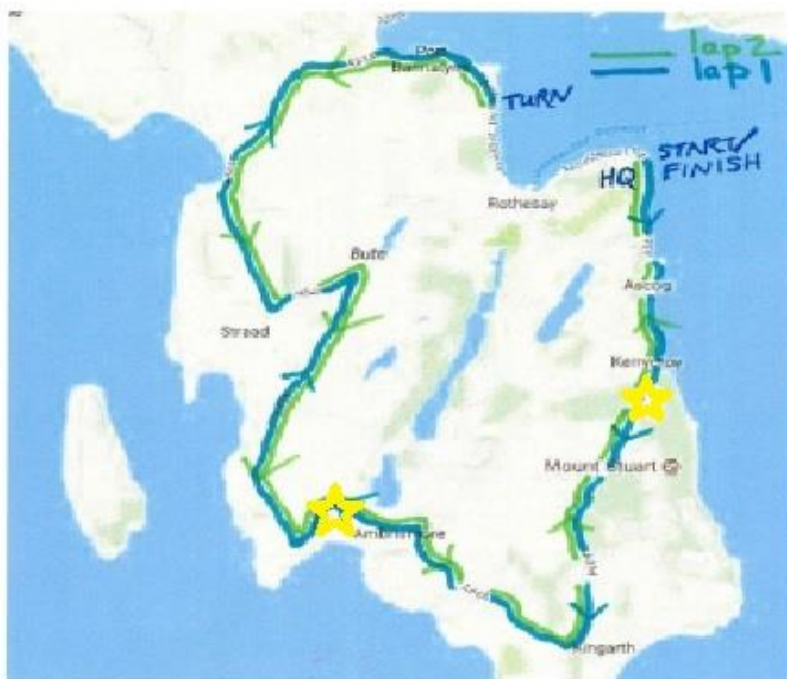

Notes

- a lead car will police the front of the race
- a car will follow behind the race
- a motorbike will travel in front of the scratch group

The turn at the end of lap 1 (clockwise) into lap 2 (anti-clockwise) is shown below.

There are two bends that riders should exercise particular caution around: descending into Scalpsie Bay area and descending down Mount Stuart hill towards Kerrycroy village.
