* One rider one prize. Pete Nixon and Helen Goldthorpe both won overall prizes which were less than the veteran category prize they would have won, so I've upped their prizes to £15 so neither loses out. As Louise Scupham was the only female espoir, I see no reason not to award this prize, as by awarding it no one else loses out.

*Thanks to everyone for riding, the wind seems to have added several minutes to riders' previous times on this course, but hopefully you enjoyed the day and the extra value for money. Many thanks to all our volunteers who make this event possible - **John Churchman, Anne, Mary & Evan Tallontire, Peter Yates, Liz Hills, Brian Keighley, Cliff Ralphs, Fred Lee, Christine Bell, Adrian Thompson, John Barnett & Sheldon Howcroft.***
