

THANKS

To all riders who entered, especially those who rode. A cloudy morning, cool at the start, improving with a mostly tail breeze for the northbound rides, yet only two riders recorded an improvement.

AND THANKS to everyone who helped to make this a successful event, especially the officials and marshals and the signage crew, and

to my wife Janet for doing the catering single-handedly, yet again, and the central admin. by

Marshals, Pusher Off, Cycle Event Signage, Results, HQ

Bob Brown, Marcia Carnegie, John & Janet Pearson, Merv Player, Mark Rider, and especial thanks to Peter Walton and his daughter for doing the signage and course-check ~ all from Herts. Wheelers.

At the Puckeridge roundabout - Chris Dyason from Cambridge C.C. with Owen Goodspeed and his clubmates from Century R.C.

At the start/finish corners – Colin Baker F.P.C.C. and at the Turnford roundabout - Kevin Megan and his clubmates from Finsbury Park C.C.

Don't forget, most of these good people did not (or no longer) race, yet they turn out to support YOUR rides. If you have not yet done, please remember to pitch in yourselves later this season or next year with some marshalling.
