Thanks' must go out to all who helped in organising and running the event again this year, and to all riders who battled the conditions on a tough morning on the Cat!

Weather warned of wind and rain and sure enough it appeared right on que for the riders. Our first lady starter, Carol Robson, was first on the road to get things started at 10:05 and battled to a winning time of 32:06. As times came through for the men's event it was clear that things were indeed 'quite tough' out there and we had a few reports of a couple of crashes both up the hill and down! All riders OK thankfully with just a few cuts and grazes. Hope you are healing well ☺

Our overall winner on the day was Leon Wright with an excellent time of 20:12 with Tony Cope of Leek CC taking victory in the V40-49 category, Andy Ashurst taking the win in the V50-59 category and Andrew Grace taking the V60+ category honours.

Junior entrant Darren Rider of Team PB Performance rode to an impressive overall top 10 place on the day, whilst also taking the Junior category win. It'll be great to see some more juniors out on the course next year.

In the team event, Macclesfield Wheelers seemed very pleased to have gained victory over Lyme RC with Crewe Clarion in third place.

I trust all riders enjoyed the day, despite conditions. I hope to see you all again next year.
