

Course UH35 – Sunday 30<sup>th</sup> September 2018

Promoted for and on behalf of Cycling Time Trials under their Rules and Regulations

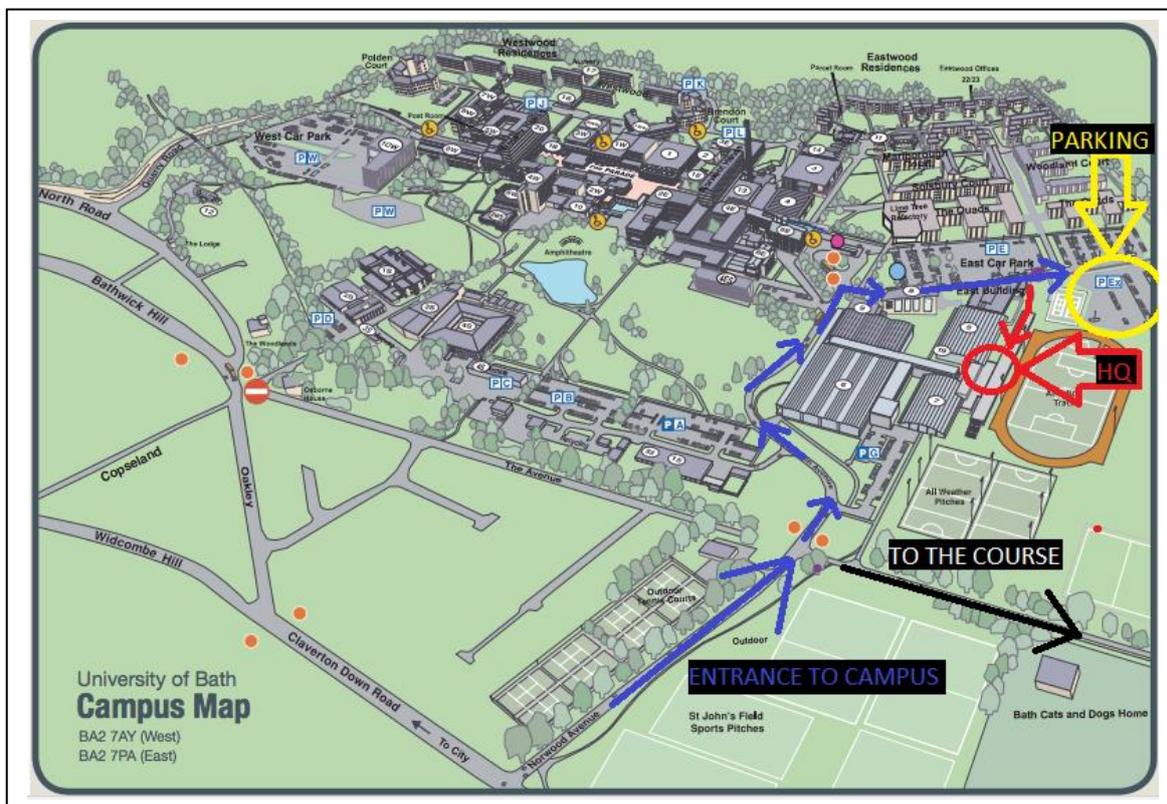

## Event Headquarters

**University of Bath Sports Training Village (STV) Balcony - available from 1200.**

Follow signs for the University on Claverton Down (BA2 7AY). The HQ will be located on the balcony overlooking the running track outside the café. This can be accessed on foot through the main building or from the car park (see below)/by bike directly onto the balcony using the access point behind the East Building. Toilets are located inside the STV.

## Parking

Please park in the East Car Park in the Pay & Display section (parking is free on Sundays). All other areas on the Campus are for permit holders. Parking for the event is NOT permitted on The Avenue, in the Cats & Dogs Home car park, on Claverton Hill or at the bottom of the hill in Claverton Village or on the A36.

## Course Details

**To the START.** At the end of the STV balcony, turn left and at the end of the road turn left again. Follow Convocation Avenue until you leave the University campus and turn left onto The Avenue. Continue along The Avenue, down Claverton Hill (pass the Finish with caution) to the start location in Claverton village. Please keep to the left as you descend the hill and control your speed as riders may be racing towards you and traffic may be present on the hill. The waiting area for the start is on the road into Claverton Village (The road on the right in the image)

**Finish** is located at the stone pillars before the entrance to the American Museum. **Please do not perform U-turns whilst still by the finish, please continue beyond the finish line as directed by event marshals.**

## Safety

The Police have requested that inconvenience to the public and other road users be kept to a minimum.

Riders are asked to take great care and to consider the following points:

- To avoid congestion at the start please queue in the waiting area in single file & number order.
- Please do not make 'U' turns at either the start or finish.
- Please be considerate to other road users including horses and riders.
- Please take extra care when descending to the start.
- Please be aware of the surroundings and other road users at the finish.

Dangerous riding will result in disqualification. **Please keep your head up for a safe ride.** Cycling Time Trials recommends that competitors wear a hard shell helmet that meets an internationally accepted safety standard. **All junior/juvenile riders MUST wear Protective Hard Shell Helmets.**

### **Spectators:**

The supporters at the VC Walcot Hill Climb are one of the most important and defining features of the event. Please give all the riders your best support – but **please follow the directions of the marshals** to ensure that the road is not blocked and so that the riders are not impeded. The faster we can assist cars to clear the course, the less obstruction there will be for the riders racing.

Please ensure that spectators are not in the final 50m of the course – please proceed a short way further down the hill (the view is better here anyway).

Please do not block the entrance to the American Museum. People waiting close to the finish should also not disturb the timekeeper at the finish.

### **Numbers**

**Race numbers will be available from the HQ.** A drink will be available at HQ on return of your number. Please do not wear cycling shoes in the STV.

### **Signing on**

All competitors are required to sign on before the start and sign out after the finish. The signing-on sheets will be in the HQ.
