### Headquarters and Parking:

Barrow Gurney Village Hall, Hobbs Lane, Barrow Gurney, BS48 3RY.  
Available from 08:00.

You can see the location on Google Maps here:

<https://goo.gl/maps/p1ykvzT9GhL2>

Exit the A370 at the B3130 turn off and proceed southwards towards Barrow Gurney. Proceed along the road till you enter the village. The Village Hall is located on Hobbs Lane, which is just behind the Princes Motto Pub, to your right.

There are only about 20 parking spaces available at the hall so if you need to park in the surrounding streets please do so considerately and don't block the roads or park on verges.

## Course Description:

The start of the course is located 2 miles North West of the HQ so please leave enough time to get to the start! (10-15 minutes)

To get to the start point from the HQ please turn left out of the hall and proceed past the Princes Motto Pub and along the B3130. Please exercise caution when crossing the A370 and allow enough time to do so. The start should be right in front of you if you follow this route. There is little room for queuing at the start so **please do not arrive more than 3 minutes before your start time.**

The course starts at bottom of Belmont Hill Lane at the junction with the B3130 (ST 513 700), approximately 100m from the junction indicated by the second telegraph pole. Proceed up the hill approximately 1200m before the junction with Flax Bourton Road (ST 518 710), indicated by the Failand sign, 2m below the junction. Cyclists are advised to cool down in the Ashton Hill Woods car park opposite the finish.

The approximate route is available here:

<http://www.mapmyride.com/routes/view/553039728>

## Safety:

Riders are asked to take great care and, in particular, note the following points:

- To avoid congestion at the start please queue in single file.
- Please be considerate to other road users including horses and riders.
- Please be aware of the surroundings and other road users at the finish.
- With the condition of many roads across the country a concern, please be extra careful.

- The race takes place on a public highway and the road is open to live traffic at all times so you must always obey the Highway Code and not impede other road users. Marshals are there to indicate direction only; it is your responsibility to give way to other vehicles that have priority at any point on the route. Disruption to other road users should be kept to a minimum

Dangerous riding will result in disqualification. **Please keep your head up for a safe ride.** Cycling Time Trials recommends that competitors wear a hard shell helmet that meets an internationally accepted safety standard. **All junior/juvenile riders MUST wear Protective Hard Shell Helmets.**

**Particular Risks: Please note the following risks for the UH45 Course**

- After the finish there is a junction with Flax Bourton Road so please watch for traffic turning onto Belmont hill from the left. You may wish to cool down in the car park on the opposite side of the road; marshals will be on hand to assist with crossing the road.
- Please avoid making U-turns particularly before the start and finish of the course
- Please descend the hill in a safe manner, in particular the last corner on the descent is quite tight so please don't end up in the hedge!
- There is little room at the start for waiting so please do not arrive more than 3 minutes before your start time
- Some construction HGVs have been utilising this road recently so be alert for them as they may veer slightly onto the wrong side of the road around the bends
- The B3130 can be a fairly busy road so please avoid warming up and making U-turns on this road
- Please keep non racing activities on Belmont to an absolute minimum, if you do have to ascent the course prior/after your time do so in a respectable way to other riders who may be racing at the time. And do so without your number on or you may get an unfavourable time!

## Spectators:

Please encourage friends and family to attend and support, and stick around/arrive early to return the favour to other riders who fuelled you on! Be prepared to make some noise in support of your competitors so dig out those cowbells and let's keep that electric vibe that's been so awesome the last couple of years!

The road is fairly busy so please keep to the verges and don't stand in/block the road.

There is a car park at the top of the hill-> Ashton Hill Woods. This is directly opposite the finish point, therefore please be careful when entering/leaving this car park. The rest of the hill runs through a wooded area so the finish is really the only place to spectate.

## Numbers and Signing on:

Race Numbers will be available from the HQ from 8.15am, **Please return all numbers once you have finished.** Please allow enough time to get to the start (2 miles away), around 15 minutes. Please do not wear cycling shoes in the HQ.

All competitors must sign on before the start; the signing on sheets will be in the HQ.

## Catering:

We will have hot drinks and cakes available. A small donation would be welcome to pay for the catering.
