Brewing Knowledge, Love and Passion

Little Valley Brewery

Little Valley Brewery is situated in the Upper Calder Valley high above Cragg Vale in Hebden Bridge, West Yorkshire. It produces premium quality English and Continental style beers, an inspired range with refreshing taste - that lasts.

Wim van der Spek, owner, and Master Brewer at Little Valley Brewery has very kindly agreed to give a bottle of his very fine beer for every starter (and to the parent of any Juniors). Think of Wim as you are racing up – Cragg Vale is his usual commute to the brewery!

All Little Valley's beers are 100% organic, certified and audited by the Soil Association. This means it's more healthy, contains no nasty additives, avoids pesticides and no GM crops in our ingredients which come from trusted sources -so the pure and natural beer is all you get to taste, brewed to the highest standard

Event Headquarters:

HQ is the **Dusty Miller Inn** on Burnley Road, Mytholmroyd. HX7 5LH. Located on north side of Burnley Road, almost opposite the junction with Cragg Road (B6138). Car park is to the rear – result board and drinks will be here – sign out and exchange body number for free drink at bar.. **Plenty of Fish & Chips** - fish/chip van in car-park until around 18:00.

No Turbos in pub car-park, (or if full) use car-park at Community Centre on opposite side of road.

Phone reception at the top of the hill is poor, so times may have to be brought down.

PRIZES WILL BE PRESENTED AT 15.45.

V9916 – Course details:

Cragg Vale (B6138) runs from the A646, Burnley Road, Mytholmroyd, to join the A58, Rochdale Road, at Blackstone Edge.

Start on Cragg Road, Mytholmroyd (B6138), approx. 0.5 miles south of railway bridge, at telegraph pole no.2, adjacent to entrance to ELS (Lifting Platforms). Proceed south on B6138, through Cragg Vale, to **Finish** at southern end of wooden fence over drain, on lefthandside of road, and opposite wooden signpost for Whiteholme Reservoir, and Pennine Way, approx 0.5 mls north of junction with A58. (4.812 mls).

Gearing: The steepest part of the climb is the 1-in-10 section round the bends in Cragg Village. The remainder is a long steady climb up to the top of the moors. Geared bikes are recommended with gears in the range 60-120". The last couple of miles can be quite fast with the wind in the right direction. The hill can be ridden comfortably on a TT machine.

TAKE CARE:

(1) through Cragg Village as there are often a number of parked cars – on both sides of the road.

(2) when descending the hill back to the HQ – a fair speed can be attained and there are a number of large pot-holes, especially through Cragg Village
