From all at FDW may I thank all riders. The event was, once again and exemplary show by all taking part. The quality of the riding this year was in my view the best we have ever seen.

The highlights this year was the taking of the course record by David Janes in an amazing time of 19:34, in fact all of the top three times were below 21 mins. Equally impressive was the women's event with a very strong 22:53 by Megan Dickerson and a top showing from Avid sport.

Finally this was the first year we have attempted Tandems on the U375 and I thanks both the entrants for being excellent sports and the combination of Joannah Knight and Andrew Legge set a high first time at 22:56. Hopefully there will be more to challenge this in 2020.

Wishing you all continued success in the coming year and hope to see you all again in 2020.

Jon.
