Safety Notes

- Details of any additional hazards not listed on the Start Sheet will be displayed at the signing on point. All competitors MUST read these details when they sign on.
- Competitors are requested not to warm up on the course after the first competitor has started.
- Competitors must exercise extra care when joining the A281, when riding through Cuckfield Village and Whitemans Green, and when negotiating all roundabouts
- In Cowfold take extra care on approach to mini roundabouts as traffic on the A272 has priority. Additionally, be aware of Co-op store car park entrance prior to first mini roundabout here.
- NOTE: Cowfold has pedestrian crossing lights which must be obeyed.

London South District Regulation:

No Vehicles, except those of the timekeepers and race officials shall be parked in the vicinity of the start and finish areas.

- To get to the start, turn right out of the Headquarters and follow the B2114 to Staplefield, turn right at the Jolly Tanners Pub and proceed across Staplefield Green up Staplefield Lane to turn left and left onto the B2115. Follow arrows to the start.
- After finishing, continue along the B2110 to mini roundabout where the Headquarters can be seen to the left.
- No times will be given at the finish line.

CTT regulations require the compulsory use of helmets for the under 18s. In the interests of your own safety, Cycling Time Trials and event promoters strongly advise all competitors to wear a hard shell helmet that meets internationally accepted safety standards. Additionally, riders are recommended to show a bright red rear light.

Attention all competitors:

Please note that from 2017 all competitors are now required to personally sign the signing out sheet when returning their number. Failure to do this will result in the competitor being recorded as DNF.
