Come & Try It Event

Time Trial Etiquette

Riders are set off at one min intervals and aim to complete the course as quickly as they can. Your time is worked out by the finish timekeeper and displayed on the result board in the HQ

If you are caught by another rider, or if you catch another rider, you are not allowed to ride together (or draft in their slipstream).

You must stick to the rules of the road and the highway code. Marshalls and signs are used to direct you around the course but the roads are still open to traffic in the usual way.
