It was great to see the early season enthusiasm of the riders and helpers. A chilly start turned into a decent sunny day with only light winds. Many riders set impressive times on a course which can be hard to judge your effort on.

A couple of riders made the journey over from Holland to take part (along with the VTTA 10 the day before), and both expressed their enjoyment. Hopefully it will lead to more interest from overseas riders in South Eastern events, and the hospitality/many attractions to be found in this part of the country.

Many thanks to the volunteers who gave up their Sunday morning to help, and the riders for supporting. Hope to see you all next year!
