## **Safety:**

In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise you to wear a hard shell helmet that meets an internationally accepted safety standard and have a working rear light (flashing or constant).

Do not stop at the finish timekeeper but proceed for a short distance, make a U turn when safe to do so and return to the HQ where your time will be displayed.

Traffic counts have indicated light use of the A46 on a Saturday afternoon, however, it is still a major trunk road so please take no chances and ride safely. Your welfare is worth more than your PB.

## **Start and warm up:**

To get to the start proceed south along Marsh road then left onto Main Street then right onto Fosse Rd. You are now on the last mile of the course so be aware of riders finishing.

Proceed quickly and in single file past the finish making it obvious that you are not racing.

The start is just after East Stoke.

Please warm up south of Eden Hall traffic island.

Between Farndon and Eden Hall please be aware of riders starting and finishing on this road.
