This event was promoted for and on behalf of  
CYCLING TIME TRIALS under their Rules and Regulations.

Dear Rider,

Wigmore CC and the Philbrook family would like to say thank you for supporting this year's Bill Philbrook Memorial 25 Mile Time Trial and contributing to the success of our event.

Unfortunately the race was shortened to a 10mile time trial on the Q10/6 due to roadworks, a blessing in disguise perhaps as there were a few sighs of relief due to the cold but dry conditions of this year's event. The turnout was still very good for the amended course, so thanks to all the riders.

Chris Fennell, last year's winner of the Bill Philbrook Memorial was one again victorious, setting a new course record with his time of 20 minutes dead, removing 1m 50s from the previous course record of 21:50.

Emma Lewis produced a stunning ride to win the ladies competition and take fourth overall, taking an impressive 2m 20s off the previous record of 24:36

Neil Lauder held the course record for just nine minutes with his equally remarkable time of 20:37

The team prize was taken by VeloRefined.com Aerosmiths led by 2017 winner Andrew Meilak and supported by Mark Hill and Paul Smith.

Andrew also won the vets competition for the third year running.

The Philbrook family donate a trophy to the event for the fastest member of the Wigmore CC as the promoting club. Rodney Smith was the fastest rider home and will take the trophy at the end of the year.

As always, a big thank you to all of the timekeepers, marshals and supporters who helped to ensure everything went ahead safely and smoothly. We have a core group of people who regularly support this event, to whom we are all extremely grateful, as without we would be in danger of not being able to run the event at all. Similarly, we also had some new faces joining us this year to help with marshalling duties, which is important for the continued success of time-trialling.
