We would like to thank you all once again for supporting our event. It was a close decision on to run the short course or cancel, I was so glad we did not choose the latter, only one person decided to withdraw because of the course change. It was so nice to get thanks for not cancelling by so many riders.

I don't think anyone could complain about the weather, it was glorious and some added compensation.

We hope that you enjoyed the day and your ride!

Our thanks to all those who helped behind the scenes to make this event happen from the marshals out on the road to the catering staff who came prepared to feed the multitude and kept me going with coffee.

Thanks to both Susan and Mike, who both do a sterling job and help the event run smoothly. Sorry I left your bottles on the kitchen table but will make it up to you in June!

Unfortunately, I made a mistake whilst formulating the results on the day with the ladies and again would like to offer my sincere apologies to Susan Semple who was actually the second fastest lady on the day.

Should you have any questions, please do not hesitate in contacting me directly, we look forward to seeing some of you in June for our Open 10M TT.
