## Reg Pearce, a legend of Staffordshire cycling

Reg was the centre of the cycling world within Stafford, spending his life devoted to the sport in which he loved dearly. You could often find Reg out on the local club runs or partaking in one of the many local time trials representing Stafford Road Club.

Reg was a long distance TT specialist and in 1957 he set the Stafford Road Club record for the 24 hour time trial at 388.87 miles then just 3 years later he set a new record of 411.43miles which still stands today 57 years later ! This all without the modern day aero bikes and clothing.

Reg was a devoted club man and as well as representing Stafford Road Club in events he stood for many years as the Club President until he sadly past away in May 2018. Reg was always there encouraging and supporting local riders to ride 'The Race of Truth' and challenging them to break the many records he set. Reg Pearce and his dear wife Nan where at the heart of our cycling community and will be remembered fondly by all those lucky enough to have met them.
