Thanks to the team, without you the event wouldn't happen. The weather looked ok from where I was but a tough headwind made for hard going. Congratulations to all who improved on the day.

Congratulations all the prize winners and our 1st time champions Tom Ward and Steph Post. I hope handing out the medallions on the day added to the occasion. Come back in the summer in warmer weather! Realteam team will be promoting again on this course on 21st July and 18th August. See also the Celtic Series events.

The WCA hopes to see you at our other championships or at the Prize Presentation at the TRW club in November.

In the week after the champs I was bitten by a dog who savaged my finger resulting in a hospital stay. I'm so grateful it wasn't the week before. So, forgive the slightly longer timescale for producing a full result with plenty for you to digest.

Finally, as I write Scott Davies, after a fabulous TT in his first Grand Tour made it over the Mortirolo in appalling conditions. We wish you well with the other 2 mountain stages. I hope with an early start in the last TT you get to sit in the leaders chair even if it's a fleeting visit. Pob lwc on your quest to become a "King of the Road".
