Course

10 miles, A10/16. Start: On A6 by lamp post no. T55798, north of Church Lane, Darley Dale. No cars are to be parked in this lay-by. Riders must stay within the confines of the lay-by and not spill out onto the road. A maximum of 8 riders can be accommodated in this lay-by. (This is also the start of the A25/12)

Go north along the A6, pass through Rowsley (beware of the pelican crossing to the north of the bridge) and continue to Bakewell. Carefully encircle the island – it is much smaller than you think! Return along the A6 through Rowsley, past the start to finish by a white marker, just to the north of Whitworth Road, Darley Dale and about 200m before the Grouse. Please pay special heed to other road users at all times and at junctions with other roads. Keep your heads up! Have a safe and successful ride!
