

Preston Wheelers Open 25 mile Time Trial Inc NLTTA 25 TT Championships

Sunday 9th June 2019 on course L2521a

Promoted for and on behalf of Cycling Time Trials under their Rules and Regulations

Congratulations to Richard Bideau on an excellent win on such a lovely morning. After the pouring rain of Saturday it was heartwarming to be blessed with a dry but windy day on the Sunday. Times were down partly due to the wind but the course was about ¼ mile long in the end. Fortunately the roadworks were in an easy place to circumnavigate. Congratulations to all those who won a prize and to those completing their first ever '25'

Special thanks go to Gillian for the catering; Cyril Singleton, Graham Harcourt and his wife, Arthur Trigg, Jack Stokes, Roger Miller, Gillian Halliday Caleb and Sebastian for marshalling; Paul Fleming for pushing off and sorting the results board

Most of all thanks to our two timekeepers Richard Taylor and Mike Smith who did a wonderful job.
