There is no team prize, as no club finished with three riders. Also I have not awarded the women's prize as the only entrant had to send her apologies. I will arrange for these prizes to be sent to you as soon as possible. A weatherproof top was also left with the starters, please let me know if you are missing one.

Many thanks to everybody for supporting to the event, whether riding, marshalling, pushing off, supporting, or anything! Without you we could not do it. Best wishes and hope to see you all again next year.
