I was once again pleased by the popularity of the event this year which is testament both to the popularity of the course and (we hope!) the organisation of the event. Sadly, the inclement weather played havoc on the start sheet, but some fast times and personal bests were achieved despite the weather.

The event couldn't have happened today if it wasn't for the tremendous support of the volunteers.- I would like to thank Jean Lyle for HQ refreshments, Dave Jones and Cliff Voller for pushing off, Chris Aitkin (Thames Valley Triathletes) for stepping in at the last minute and assisting me with the results at the HQ and William Emons for putting out the signs and marshalling the turn,. In particular I'm very grateful for Dave, Cliff, Bob and William for standing out in the rain for an hour to perform their duties.

I would also like to thank our timekeepers Maggie Smith (North Hampshire RC) and Bob Lyle (Newbury RC) and Christina Gustafson (Reading CC) for assisting Maggie at the finish and sending the results back to HQ.

I also have some photos that were taken at the turn which I will email out to the riders once I have sorted through them.

Well done to all the riders and congratulations to all the winners and I wish every rider a successful and safe rest-of-season.

We hope you'll come back and ride again next year!

Best wishes  
Claire Emons
