With an age range of 16 – 62 and perhaps 1000 miles of cycling completed, apart from what I heard was possibly two punctures and a 'wonky' saddle, it was a good incident free day.

Amazing speeds of over 32 mph from the winning males and over 28 mph from the females!
So, congratulations to all finishers and of course the award winners – (as on the results sheet) – and what struck me was the camaraderie – perhaps more than is normally seen at Time Trials.

For which of course I have to thank the riders but even more, all those – more than 60 of them - who helped make it the success that I think it undoubtedly was. All those enthusiastic marshals – see the list – and the Marshal Master, Tony Farrell.

Then there were those who, helped parking the cars, the meeters and greeters, those who signed you on, pushed you off, those who recorded the times, the ladies who provided and served over 400 pieces of food – most of it home made. They are all on the list, plus help from Rob Bailey and Ian Middleton who played a floating role ironing out any issues.

Then of course from the CTT, Nick Sharpe, Sue Bowler and the ever helpful Stewart Smith whose contribution was immeasurable.

The Moto Bike guys, bikemarshals@gmail.com who rode the course and the road closure man who put up those signs that kept it safe at the start.

And I must mention the sponsors –Bioracer, provider of those great winners' jerseys and goody bags -

Ken Jones and Chris Spencer

and also

Greystone Financial Services.

De Vere Hotels (Cranage Hall) who let us use their spaces as an overflow car park.

(And finally, finally, the weather man who looked kindly down on us)

Best of wishes for the future, to those who perhaps are already planning next year's 3 Up in the Central District 28th June 2020, good luck and stay safe.

P.S. A turbo was left on the Car Park – Stewart Smith has it so please contact him if it is yours.
