Acknowledgements

VSCC would like to say a big thank you to all helpers and riders who contributed to the event and made it the success that it was and without whom there would not have been an event possible.

Time Keeping: Phil Hurt for helping us out once again along with all the other events that he does throughout the year

HQ: Alec Pearson for the wonderful homemade cakes, sandwiches, tea and coffee. Tony Browning for the rider welcome, Alison Hesley for Rider return and Luke Hesley for Rider Time writing.

Rider Check – Paul Dixon, Helen Goldthorpe who counted you all through the roundabouts and Angela Prescott who relayed the results to HQ from the finish line

Marshalls – Alan Chalmers at the start line, Danny Murray, Hugh Madelin, Greg Cottrell and a dude who was doing a recce for the 100M TT tomorrow and offered to help for making sure that no one got lost

Many thanks also to contributions from everyone for the food and other donations. Last year as a club we raised £1000 for Yorkshire Air Ambulance and we hope to continue making a significant contribution this year too.

On a personal note, I'd like to thank everyone involved. Riders who I tried to give a good push off, helpers who I press ganged into work and supporters in general for making the event a success. Cheers, Mike.
