Promoters comments. Well, some afternoon. Most riders seemed happy with their result. Copies of the Time Trialists Bumper Book of Excuses remained unopened.

I would, of course, thank all for the assistance I received. BDCA member clubs. South Pennine RC, Derby Mercury RC, Coalville Whs CC, Mercia CC, VC Long Eaton and Stone Whs, who covered the far turn, and members of the Tricycle Association. The timekeepers and recorder, without whom your ride would have been wasted. The catering ladies and those who gave their time and who donated cake etc, so crumbs and tea spillage could be maintained, traditionally, around the result board.

One further comment. Please ensure that entries are forwarded on the correct form now.

It is expected that the events will be run again in 2020 on the same weekend. **Jim**
