Safety Notes;

- Details of any Additional Hazards not listed on the start sheet will be displayed at the Signing on Point. All competitors must read these details when they sign on.
- Competitors are requested not to warm up on the course after the first competitor has started.
- Competitors must exercise extra care when joining the A281; when riding through Cuckfield Village and Whitemans Green and when negotiating all roundabouts.
- In Cowfold take extra care at mini roundabouts at the traffic on the A272 has priority. There are also pedestrian crossing lights, which must be obeyed.

London South District Regulation: No vehicles, except those of the time keepers and race officials, shall be parked in the vicinity of the start and finish areas.

- To get to the start, turn right out of the H.Q. and follow the B2114 to Staplefield.
- After finishing, continue along B2110 to mini roundabout where the H.Q. can be seen on the right.
- No times will be given at the finish.

CTT regulations require the compulsory use of helmets for the under 18's. In the interests of your own safety, Cycling Time Trials and event promoters strongly advice all competitors to wear a hard/soft shell helmet that meets internationally accepted safety standards.

COMPETITORS MACHINES. It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position clearly visible to following road users and is active while the machine is in use.

Attention all competitors:

Please note that for 2017 all competitors are now required to personally sign the signing out sheet when returning their number. Failure to do this will result in the competitor being recorded as DNF.
