(5) The Course – K4/10W

<https://connect.garmin.com/modern/course/17065670>

From the HQ, proceed down Ludlow Drive and turn left at the junction. Proceed approximately 3.5 miles north-west up the B4100 Warwick Road towards Warmington Herb Centre. You will go over two roundabouts on the way out of Banbury, straight on at both.

The start is just beyond Carpenters Farm Shop.

You will then race north-west to Gaydon roundabout where you will turn before heading back to the finish at the garage before the base of Warmington Hill. There is only one roundabout on the course itself.

You may then proceed leisurely up Warmington Hill back to the HQ.

Marshals will be on course to help to ensure your safety.

(6) NOTES & CAUTIONS

The start line is 3.5 miles from the HQ. Leave plenty of time.

No vehicles other than those of the timekeeper and marshals may park in the vicinity of the start or finish points. DO NOT pass the start after the event has started.

Carpenters Farm Shop will be open during the event. Please DO NOT queue up more than three minutes in advance of your start time and do not block the entrance to the shop or the house next door. Please do not gather where cars behind will be turning left in to either premises, unless you are well on the grass verge.

DO NOT stop at the finish. Please carry on to the HQ where your result will be posted.

In the interests of safety, CTT and the promoters strongly advise the use of a hard shell helmet that meets the necessary standards. All juniors must wear an approved hard shell helmet. A working rear light is also strongly recommended.
