OVERALL WEEKEND NOTES:

(Please read!)

A big welcome to all, looking forward to a great weekend and taking over the island with bikes!

The farmers of Bute are always busy, so there may still be some tractors and the like on the roads. They will do their best for us, and similarly you are requested to behave responsibly around these.

All major junctions will be marshaled. Some of our courses involve junctions with **right-hand turns**, so the race will go across line of oncoming traffic. In discussions with local authorities we have agreed that cyclists must be mindful of these as follows: **be prepared to slow down or even stop as approaching these; adhere to the instructions provided by the marshals, waving any red flags! Failure to do so will involve disqualification. These right-hand turns will be sign-posted as such. The key message and issue is that the races are safe.**

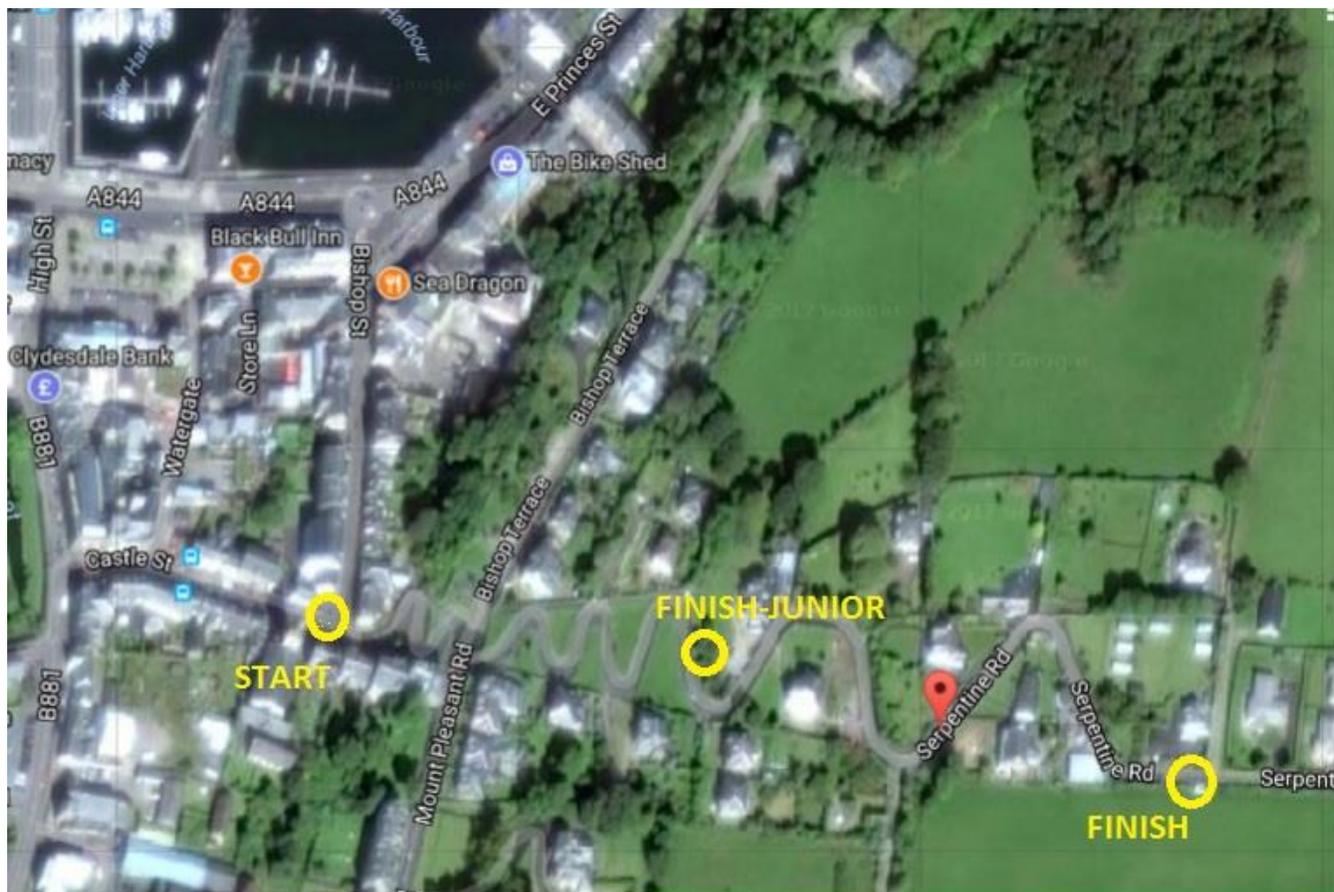

In general please adhere to the traffic laws during the races and also respect towards locals who may or may not be favourably disposed towards bike racing.

Helmet required for all races. We also encourage use of rear red lights for time-trial events.

Huge thanks to our timekeepers and marshals, across a busy weekend; definitely couldn't do it without them!

SERPENTINE HILLCLIMB RACE INFORMATION:

This race is promoted for and on behalf of Cycling Time Trials under their Rules and Regulations'. Juvenile Serpentine event starts at 10.30, full Serpentine event starts at 11:00. All riders must be off the course before these races start. For the full distance, many riders choose to continue on up to the t-junction and turn right, as a safer way of coming back down to the start...rather than coming back down the Serpentine. However for the Junior race this isn't really applicable. Despite the surface being somewhat worse for wear in places, be sure to enjoy this iconic jewel of Bute ☺

'2-UP' TEAM TIME TRIAL RACE INFORMATION & COURSE:

This race is promoted for and on behalf of Cycling Time Trials under their Rules and Regulations'. There are now some roadworks so this year the start is about $\frac{1}{4}$ mile beyond the Sailing Club (so about 1 mile beyond Rothesay) at 13:45, riders head out around the main island loop in counter-clockwise direction, as shown in map below. All junctions will be marshaled.

After approximately 0.4 miles the course runs through a residential area, with the hazards that this can bring.

The finish line is just below on the HQ, along the main coast road. A 1 mile-to-go sign will be displayed.

There is one [right-hand turn \(Scalpsie junction\)](#), so the race will go across line of oncoming traffic. In discussions with local authorities we have agreed that cyclists must be mindful of these as follows: [be prepared to slow down or even stop as approaching these](#); [adhere to the instructions provided by the marshals, waving any red flags!](#) Failure to do so will involve disqualification. These right-hand turn will be sign-posted as such. The key message and issue is that the races are safe.

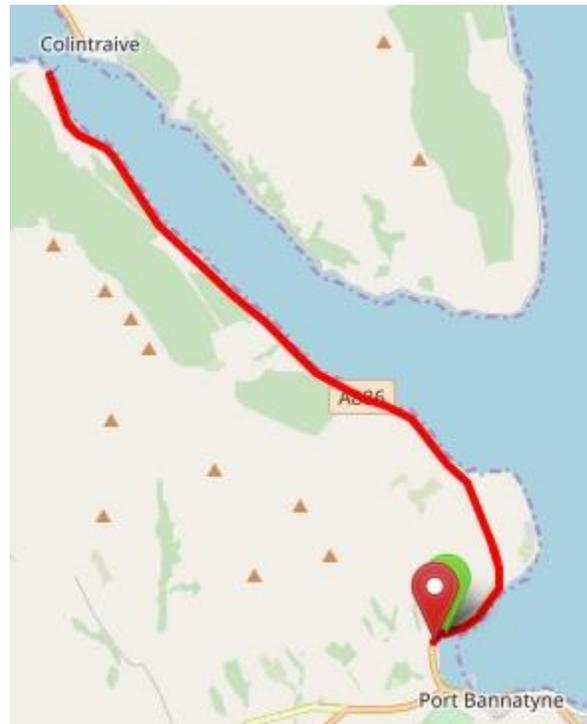

10MILE TIME TRIAL RACE INFORMATION & COURSE:

This race is promoted for and on behalf of Cycling Time Trials under their Rules and Regulations'. We are reverting to our familiar and popular Ettrickdale course (last year was a 1-off). Start Time 10:30. To get to the start, head into Rothesay from HQ, and keep going another 3 miles or so...so altogether about 3.5-4 miles from HQ.

Notes

- Start line is approx. 3.5 miles from HQ; please ensure you do not miss your allotted start time
- No warming-up on course; there are other adjacent roads in the area
- Keep Start and Finish areas clear for other riders safety

NOVICE 20MILE ROAD RACE INFORMATION & COURSE:

This race is operated under the Rules and Regulations of TLI Cycling. Start is at Sailing Club about 1.5 miles from HQ: go into Rothesay and continue about 0.5 mile out the far side. Due to roadworks in the area the race will initially be neutralized, for approximately 0.5 miles (this will be explained in more detail on the day). The race heads out around the main island loop in counter-clockwise direction, as shown in map below. All junctions will be marshaled.

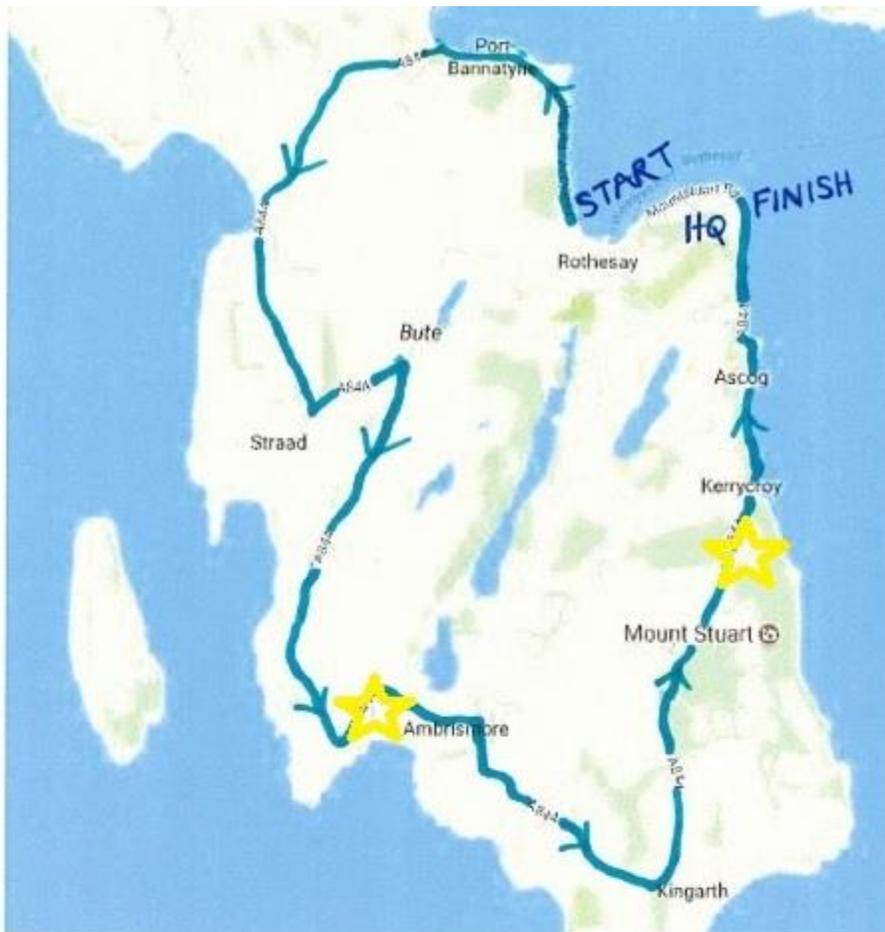

The race finishes just below the HQ, along the main road; a 1 mile-to-go sign will be displayed.

Notes

- a lead motorbike or car will police the front of the race
- a car will follow behind the race
- there is a right-hand turn at Scalpsie Junction, which will be sign-posted. Riders are required to be prepared to slow down or stop, and follow instructions of marshals.

There are two bends that riders should exercise particular caution around: descending into Scalpsie Bay area and descending down Mount Stuart hill towards Kerrycroy village.

DANGEROUS BEND

APR 40MILE INFORMATION & COURSE:

This race is operated under the Rules and Regulations of TLI Cycling. This year the Race starts at 14:00 just below the HQ, proceeds around the island in a clockwise direction and then back anti-clockwise, to finish in same area as Start; a 1 mile-to-go sign will be displayed. All junctions will be marshaled.

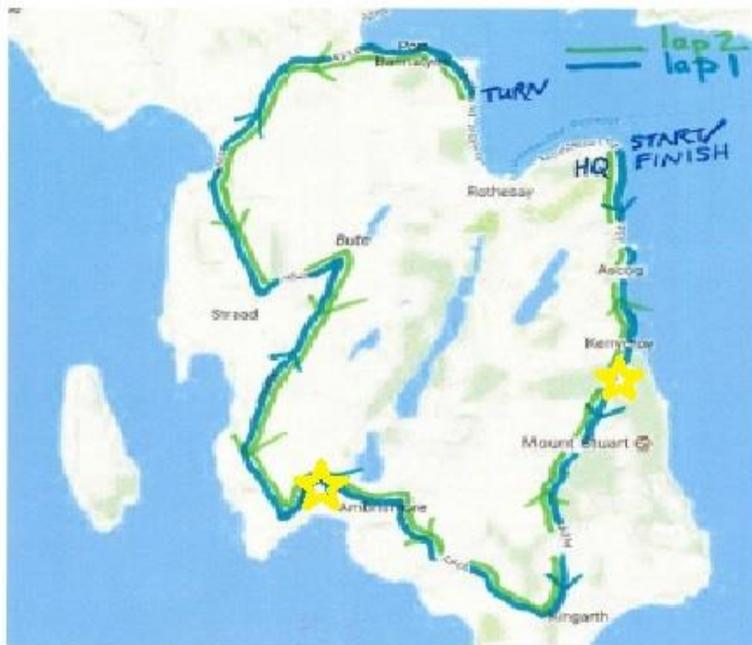

Notes

- a lead car will police the front of the race
- a car will follow behind the race
- a motorbike will travel in front of the scratch group
- Some of our courses involve junctions with right-hand turns, so the race will go across line of oncoming traffic. In discussions with local authorities we have agreed that cyclists must be mindful of these as follows: be prepared to slow down or even stop as approaching these; adhere to the instructions provided by the marshals, waving any red flags! Failure to do so will involve disqualification. These right-hand turns will be sign-posted as such. The key message and issue is that the races are safe.

The turn at the end of lap 1 (clockwise) into lap 2 (anti-clockwise) is shown below.

There are two bends that riders should exercise particular caution around: descending into Scalpsie Bay area and descending down Mount Stuart hill towards Kerrycroy village.

NOTE: this year we're doing 2 **Primes** prizes, after approximately 15 miles and 23 miles – see below for details

APR Primes:

Prize for 1st in sprint to prime at 15 miles (on 1st lap) and at 24 miles (on 2nd lap). Will be sign-posted ('200m to Prime')
