SPOCO: This event is a counting event for the 2017 Yorkshire Cycling Federation Sporting Courses (SPOCO) competition.

The Sledmere Monuments: At the start stands the Sledmere Monument. The monument stands 120 feet tall and is a tribute to Sir Tatton Sykes, 4th baronet, built by his friends in 1865. Another notable monument is the war memorial in the village, designed by Sir Mark Sykes, 6th baronet. The memorial is dedicated to the Wolds Wagons Reserve, a regiment that Sir Mark Sykes raised from the local population to fight in World War I. It is noted for its unusual shape and its graphic scenes of war and country life. Sledmere is also the site of an "Eleanor's Cross", though this is a replica, not one of the 12 original crosses.

Course Details: V411/1

Start on the B1252 at the **Tatton Sykes monument** adjacent to the bridal way sign post. Proceed through **Sledmere** village to the **Fimber Roundabout** (5.4 miles). Circumnavigate roundabout (**CARE!**) take 4th exit and proceed back through Sledmere village. **Finish** at the **Tatton Sykes monument**.

Notes:

The start is approximately 2.5 miles **uphill** from the Headquarters. Please allow yourself enough time. Always be aware of racing cyclists getting to and from the start. Please do not park at the Start/Finish area. Warm up in Coach Park or on the Bridlington Road or South of the Monument.

Rider Safety

In the interest of your own safety, CYCLING TIME TRIALS and the event promoter strongly advise you wear a HARD SHELL HELMET that meets an Internationally accepted safety standard. In accordance with regulation 15 ALL JUNIOR competitors must wear protective hard shell helmets. It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position clearly visible to following road users, and is active whilst the machine is in use.

Position your race number centrally below the waist so as to be clearly visible from the rear when in your normal riding position.

You are advised to read the "on the day" risk assessment. **Note: The turn can be slippery when wet.**
