Course V997 - Start at white line at entrance to un-metalled road (Rake Head Road) approximately 0.6 mile west of Holme Village and 130 yards west of bridge on the A6024

Continue in a westward direction for 1.34 miles

Finish opposite "Welcome to Holme Valley in Kirklees" sign Altitude 524m (1719 ft)

Distance (1.34 miles) Ascent – 655 feet climb. Average Gradient: 9.54%

**Important note regarding the course** – Currently there are emergency traffic lights on the course if they are still in place the course will be shortened to 0.9 miles (1584yds)

In previous years we have struggled with visibility on Holme Moss so in the event of bad weather at 14.00 a decision will be made to revert to running the event on the Woodhouse Hill climb, near the HQ. Details of the course will be available on the day.

**Headquarters** - Fleece Inn, The Village, Holme, Holmfirth. HD9 2QG

**TOILETS** - Please use the toilets opposite the Fleece Inn before the event as the pub is busy with meals on a lunchtime. These are cleaned by the pub and are therefore of high standard.

**Refreshments** – a voucher for soup & bread will be given to you on returning your body number. This will be served from the café/shop at the side of the pub.

Riders will be able to purchase Tea and Coffee from café/shop at the side of the pub, and other drinks in the pub.

**Parking** - Some parking will be available in the Fleece Inn car park, but there is a large car park at the summit.

There is additional road side parking down Fieldhead Lane, this requires an acute right-hand turn when entering the village. Please remember that villagers had to contend with Le Tour 2014 so please don't park in front of their houses, or aggravate in any way.

**Do not park on the road that is part of the course therefore spoiling the event.**

**Results** - Please note that due to poor mobile telephone reception the event will be completed and the times then taken to the headquarters. Prize presentations will be made inside the pub as soon as possible after the event.
