

The Southdown Velo "Icicle Hillclimb" takes place on Sunday 24<sup>th</sup> November at 11:00 at Goodwood on "Knights Hill".

Okay, we know it's a bit late in the year but the date was picked & we are going with it. This is a three-in-one-event. The "Open Event" will incorporate the South DC Hillclimb Championship (which was cancelled in October). The Championship trophy is awarded to the fastest rider from a South DC club or team. Also the event is the annual inter-club event between Bognor Regis CC, Hants Road Club, ...a3crg & Southdown Velo. There are trophies to be won also at the inter-club event for individual overall, fastest woman & fastest team. If you are riding the "open" event & you are a member of one of the four teams then your time will be taken in consideration.

The Open event is a budget busting £7.00 to enter & the closing date is the 19<sup>th</sup> November. It is an easy venue to get to & from to Trundle it's all downhill to home.
