Congratulations to the winner Simon Wilson of Ribble Pro Cycling. An incredible 30MPH ride on a freezing cold day in December on one of our slower courses! The fastest M&DTTA affiliated rider was Alistair Ribbands of Manchester Wheelers who will receive

his trophy at the M&DTTA Lunch on Sunday 26th January. This is a great occasion so please make an effort to attend (Contact Carol Pardoe for details). Rebecca Rimmington also produced a quick time of 24:01 which showed excellent out of season form.

Thanks as always to all the willing helpers who keep our sport alive for no personal gain, especially the marshals, signage team and pusher offers out in the cold. Thanks also to the hard working kitchen staff who kept us all fed and happy and Ady Japp who did a very efficient and professional job on the result board as always.

It was disappointing to see such a small field in the fancy dress events, but those that did ride made great efforts to entertain the spectators. Back in the day most riders rode this in fancy dress as it was seen very much as a social occasion. One year Chris Boardman and his wife Sally rode as bumble bees on a tandem and he was a superstar even then. Hopefully FD numbers will pick up in the future as it would be a shame if this became just another open TT.

Don't spend too much time on Zwift over Xmas & see you all again next Year in the M&DTTA 10 mile series in March.
