THANKS

To all who entered, especially the 8 who turned up and rode anyway.

Loitering around at the start amidst frequent sunny intervals didn't feel too bad, though out on an unsheltered DC the wind was gusting heavily from the quarter. A black sleet cloud obliterated Blorengel just after the last rider started, which couldn't have been pleasant for them, though the sun came out again. Generally conditions were all right except when they weren't.

At the time of the event the temperature was 7 degrees in Hereford and the SW wind speed was 10mph gusting 25; on the course it seemed at least 2 degrees less than that, and the wind was a lot stiffer. The weather forecast contributed to a high DNS fallout and, though the wind was from a 'helpful' direction for Raglan courses, it was just too cold to be fast.

AND THANKS ESPECIALLY

to everyone who devoted their free time to make this a successful event:-

William Pring & Bob Jones (signage fixers)

Alf Williams, Port Talbot Whs (starting TK) with Bob Jones & William Pring (pushing-off),

Diccon Hill (marshal & observer at Raglan roundabout),

Everyone else who offered to lend a hand.
