Firstly, a big thank you to the time keepers and marshals who all volunteered their time to help make this event happen - without them we would not have any events to ride & race in.

To the riders, the sudden downpour did make things interesting and I wish all those that came off a speedy recovery. But, despite the rain it turned out to be a very fast day with both a new Men's & Women's Course Record, a National Tandem Competition Record and Veteran Age Records.
