

This is a Ten on the P829a course which runs between Wickham & Portsdown Hill Roundabout. The event precedes the National Youth Championship hence the low number of spaces available. The event is basically supporting the Youth Championship which runs at no cost to the entrants. We have kept it simple, it is an "open ten" & there are no prizes. Don't be put off with the small amount of places; a lot of the local vets will be away riding the Vets National Ten.
