Safety:

Hard-shell helmets are recommended (compulsory for under 18 year olds). In the interest of your own safety, Cycling Time Trials and the event promoters strongly advise you to wear a hard-shell helmet that meets an internationally accepted standard. Any rider performing a "U" turn within the sight of the start or finish **will be disqualified** & reported to the district committee. A working rear red LED- type light must be fitted to each competitor's machine.

Other information:

Competitors in the solo events must ride entirely alone and unassisted and not ride in company or take shelter (commonly known as drafting) from other riders or vehicles. A competitor overtaking another must pass without receiving or giving shelter. The onus of avoiding company riding shall be upon the rider overtaken. Clothing – Sorry, no trade jerseys (Team Sky etc.) are allowed, due to advertising / approved sponsorship etc.

Unfortunately, at previous events, some competitors have urinated in the entrance to Willows Nursey near the start. Anyone seen doing this will be instantly disqualified.

Road Bike category info:

To comply with the 'rules' to compete for the road bike awards, competitors are required to compete on a standard road bicycle (No rear disc wheel; no deep section (>60mm) wheels, no less than 12 spokes per wheel; no tri-bars & no aero (pointy) hats). Apart from that, anything goes!

Signing-on/off:

Please note that each rider must sign-on when collecting their number and sign out after completing the event. Failure to do so will result in disqualification.

Covid19.

Unfortunately, the covid19 pandemic has forced some changes to the normal procedures. The HQ will only be open to provide toilet facilities and for signing on/off. When signing on or off, please use the hand sanitiser provided before touching the pen or sheet. When signing off please just drop your number in the box provided. Sadly, there will be no refreshments provided, nor prize presentation at the end of the event. Also, there will be no pusher-off. Riders must start with one foot on the ground. There will be no result board displayed on the day. I will make every effort to ensure that times are published on the CTT web site as soon as possible after the event (hopefully by the Sunday evening). Please do not congregate in large (>6) numbers at any point, maintain your social distance (at least 1 metre) at all times. It is strongly recommended that (apart from when riding of course) a face covering is worn at all times.

Awards:

I would like to thank Frank And Joy's daughter, Karen, for her very generous sponsorship of this event.

Within the entry for the Road Bike event, there appear to be a number of entrants riding their first open event. I have marked these with an asterisk against their category. If I have incorrectly identified any of these, or I have missed any, please let me know!
