**Sponsors:** We'd like to thank both our club sponsors Bike UK and Mission Burrito for helping to fund this event.

**Headquarters and Parking:** The Lamb Inn, (function room upstairs). Wotton Rd, Iron Acton, Avon, Bristol BS37 9UZ. [thelambinnironacton.com](http://thelambinnironacton.com)

**HQ will be available from 08:00am;** all competitors must sign on before the start and sign out after. **Please return all numbers once you have finished!** Please do not wear cycling shoes in the HQ. There is plenty of parking at the venue and is approximately half a mile from the course start. The pub will open for us to serve drinks after the race, but we may not have the venue exclusively to ourselves, therefore please do not leave bikes or any other valuables unattended around the building or within the car park.

**Course Description:** UOBCC's annual 10mile time trial will this year be held on the U102 course near Iron Acton, NE Bristol. The course is a simple out and back with a U-turn being made on a roundabout just over half way: see details attached.

To get to the start turn left out of the Lamb and go straight over the traffic lights (Yate Road) down Wooton Road; the start is about half a mile down the road opposite Backfield Farm Business Park.

**There is strictly no warming up on the course** in order to avoid any congestion with passing cars. Please exercise caution when warming up on adjacent roads and allow enough time to do so.

**Safety:** Riders are asked to take great care and in particular, the following points:

- The course is generally in good condition but any pot-holes or other hazards will be adequately marked – please be vigilant to such.
- To avoid congestion at the start please queue in single file
- Please be considerate to other road users including horses and riders
- Please be aware of the surroundings and other road users at the finish
- The race takes place on a public highway and the road is open to live traffic so you must always obey the Highway Code and must not impede other road users. Marshals are there to indicate direction only; it is your responsibility to give way to other vehicles that have priority at any point on the route. Disruption to other road users should be kept to a minimum

Dangerous riding will result in disqualification. **Please keep your head up for a safe ride.**

Cycling Time Trials recommends that competitors wear a hard shell helmet that meets an internationally accepted safety standard. **All junior/juvenile riders MUST wear Protective Hard Shell Helmets.**

**Spectators:** Please encourage friends and family to attend and support, and stick around/arrive early to return the favour to other riders who fuelled you on!

The road is fairly busy so please keep to the verges, pavements and laybys and please do not stand in/block the road.

**Prizes:** Prizes will be given out in a ceremony at HQ once all riders have completed the course, any winners that are not at prizegiving will be contacted and postage will be arranged.
