

# Belmont Hill Climb 2020 Race Manual

1. COVID Rules
2. Event Details
3. Start List
4. Prizes

**You must sign on at least 30 mins before your start time or you risk your position being given to a reserve and not getting a ride.**

*"Play Sports Network is filming at this event. By attending this event, you may be captured in the background of footage, filmed at the race.*

*If you do not wish to appear (Intentionally or accidentally) in the programme, please notify a member of the Play Sports production team immediately at the event."*

# Corona Virus Protocol

**No spectators are allowed on the course** at any time. This is not a rule set by myself or the University of Bristol. This rule is set by CTT and can be found under their covid risk assessment on the CTT website. The only exceptions to this rule are the parents of young children (who I have already tried to contact) for safety reason and photographers. If you are a photographer who wants access to the course, please email me ([tc14527@bristol.ac.uk](mailto:tc14527@bristol.ac.uk)). Please avoid bringing spectators where possible. This rule will be enforced with marshals at each end of the course.

**People should not gather in groups of more than 6** at any time. People gathering in groups larger than six will be susceptible to getting a police issued Fine

**People should aim to sign on 1 hour before respective start time.** The purpose of this is to try and avoid a big wave of people in the village hall.

**Masks (face coverings) should be worn at all times while in the village hall.** If face masks cannot be worn for medical reasons let a Marshall know and they will cater.

**People should bring their own pen to sign on.** This is a ctt rule to avoid multiple people using the same pen.

**Use common sense.** Where possible try to keep as great distance as possible from other competitors and use common sense

**No Prize Presentation.** To avoid a congregation of people at the end there will be no prize presentation. Prizes will be mailed out the following week.

**You must sign on at least 30 mins before your start time or you risk your position being given to a reserve and not getting a ride.**

**HQ Address:** Barrow Gurney Village Hall, Barrow St, Barrow Gurney, Bristol BS48 3SD

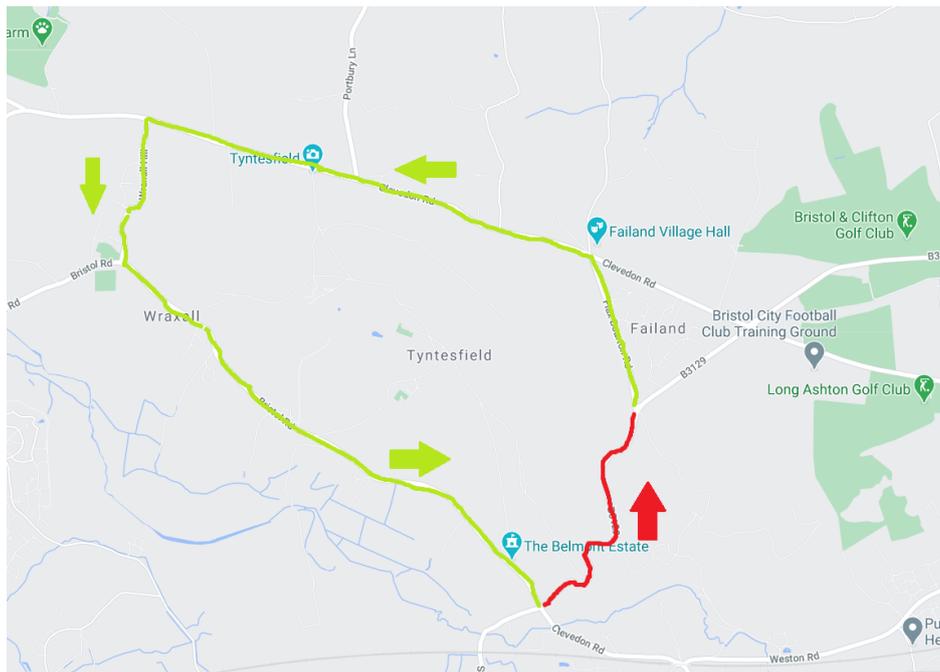

**Parking:** There is a small amount of parking at the HQ. Please only use this while you collect your number. There is a car park at the top of Belmont hill and on street parking on residential roads in Flax Bourton. Please be considerate of local residents when parking. Please be warned after 08:30 the climb will be closed to traffic and cyclists. This will therefore mean if you park at the top of the hill there is a 4.5 mile ride to the start line. This route can be seen on the next page

Riders must sign on for race numbers at HQ. In the interests of your own safety, cycling time trials and the event promoters strongly advise you to wear a hard shell helmet that meets an internationally accepted safety standard. It is a regulation of the ctt that all riders under the age of 18 or juniors as defined by reg 9 should wear a hard shell helmet conforming to a safety standard in accordance with the regulation 15 and have a rear facing flashing red light fitted to your machine.

Riders must also sign out or potentially face disqualification.

**Riders must not ride down the course and will be DQ'ed if they do**

Map below shows the route to get back to the bottom of the climb. This is the diversion route for traffic so you should be able to follow diversion signs. Green is the diversion and red is the climb

**No results will be given on the day. These will be available in the evening from the ctt website.**

**There will a photographer on course. I believe this the first time he has done any photography at a cycling event. You can see some of his work at:**
