Open Hill-climb

Saturday 17th October 2020 at 14:00 - Course UH20

Promoted for and on behalf of Cycling Time Trials under their rules and Regulations

Course Details: UH20 West Close Hill

START in Westfield Lane, Rodney Stoke approximately 140 metres from A371 at steel cover 3 yards beyond far gatepost to water station (OS Grid Ref. ST 492498) and FINISH opposite fence post on right level with beacon/underground reservoir (Broad Lane). Length 1.979 Km, height gain 172 metres.

To the best of my knowledge the course records that exist are: Men 5:00.5 (Jim Henderson); Women 6:55.3 (Anabell Orenz); Junior men 5:51.4 (Alex Coutts); Juv men 7:07.8 (Oliver Chatting); Vet men 5:45.5 (Glyndwr Griffiths). No other categories have been competed in AFAIK. The course was first used in 2000 (Nat Champs) then every year onwards from 2009 except 2012.

The event HQ can be reached by either of the access roads towards the church, which is northwest of the village green. The car park is not large so only a few riders can be accommodated. While the approach roads can be used, I would ask that when parking one is considerate of the needs of local residents.
