# JACK CLEMENTS MEMORIAL LITTLE MOUNTAIN TIME TRIAL

**AN HISTORIC AND CLASSIC  
CYCLE RACE**

**For and on behalf of Cycling Time Trials,  
under their rules and regulations**

**Sunday 25 April 2021**

**39.4 miles, Great Witley, Worcestershire**

## Welcome from our President

Welcome to the 2021 Little Mountain Time Trial – a return to the traditional course starting in Great Witley and hopefully the restart of a full racing season. Naturally we have some changes in protocol due to COVID and these are detailed in the accompanying leaflet. However, although we cannot extend the same level of hospitality as we have done in the past, and will return to next year, underneath it all we have a great event and should see some really competitive racing. The event is now an established part of the National CTT sporting course series, now known as the Merlin Cycles Classic TT Series. The club have engaged a small army of volunteers to help stage the race and make the day a little bit special for everyone involved. The series is growing every year in importance and attracts many of the top UK time trialists.

In addition we now run a hugely popular roadman category – for those wanting to test their speed without either the cost or change in style from riding a TT bike, this is a perfect event. With the rolling nature of the course and some tough climbs, the road riders will be quicker on certain parts and contest an increasingly popular category.

This year the event is sponsored generously by AeroCoach boosting the prize fund and bringing their riders to the race – watch out for a lesson in aerodynamics in action.

With the additional prize money for the CTT series event there is an impressive prize list. Once again there are equal men's and women's prizes for the top three places and equal top prizes for the roadman categories.

We hope that everyone who rode last year will return. I must also give thanks to the local clubs, riders, friends and members of Beacon for their support and help in making this a special day.

**George Barker, Beacon Roads CC President**

## Important Notes for Competitors

**Signing On and Out** - Please sign on and collect your number from the HQ, which is situated in the Car Park at Great Witley Village Hall. At the end of the race please sign back in under new CTT regulations. The start is a very short distance from the HQ. Turn right outside the HQ then, immediately left on to the B4197 and the start is 40 yds ahead. Car parking at HQ will be limited due to the need for increased spacing. However additional parking will be available at Abberley Village Hall, Clows Top Rd, Abberley, Abberley Common, Worcester WR6 6AZ, approximately 1.7 miles from the HQ (see map below).

**CTT Clothing Rules** – Please note that under CTT rules you are not allowed to wear clothing with prominent commercial advertising unless your club has paid to be sponsored.

**Marshals** - Marshals will be posted at all junctions where a turn is required. However, riders are reminded that the onus is on you to know the course and to know where you are going!

**As you finish** – Please use the last breath in your lungs to shout out your number as you pass the chequered board. This really helps the finish officials if your number is obscured.

**Broom Wagon** - There will be no 'broom wagon' this year.

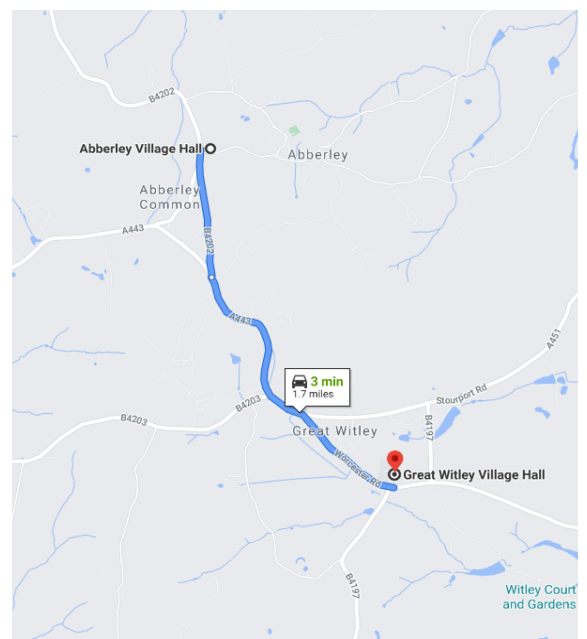

**Results and Prizes** – Results will not be available at the finish to avoid any temptation to stay after the event but hopefully we can look forward to a more convivial atmosphere in 2022. Instead times will be posted on the CTT site as soon as possible after the event. Prizewinners will be separately notified and cheques sent to all prizewinners to the address shown on their entry details.

**Warming up** - Please do not warm up past the start area after the race has started. For warm up please see map below.
