

# VIRTUAL CYCLING CLUB 25-MILE TT – USK, 2021

virtualcyclingclub.com

## A CHANGE OF PLAN

This event was originally planned for the R25/3H course near Glynneath but cannot go ahead at that location as a series of roadwork projects have put the course out of commission for the foreseeable future.

At the time of writing (April 30<sup>th</sup>) we are hoping to move the event to the R25/7 near Usk, another popular course in the South Wales district. This change is already visible on the “event details” page; all other aspects of the event remain unchanged.

The R25/7 course is our only remaining option and we’ll be forced to cancel the event completely if we don’t receive the necessary police approval. When we have more information on this we’ll share it without delay.

We’ve pushed the closing date back by 48 hours (now 23:59 on May 6<sup>th</sup>) to give ourselves more of a window for the various conversations.

### IF YOU’RE CONSIDERING ENTERING THIS EVENT

- Note the change of course
- Note the extended closing date
- Be aware that the event may be cancelled (in which case your entry fee will be refunded)

### IF YOU’VE ALREADY ENTERED THE EVENT

- Please note the change of course (R25/7 near Usk)
- Withdraw your entry **before the revised closing date** if the new course doesn’t fit your plans. You can do this by visiting the event page [here](#) (men) or [here](#) (women and juniors).

Please bear with us over the next few days; we’re striving to provide an event of the best possible quality in circumstances that are continually evolving. If there’s a way to make this work, we’ll find it and we’ll see you on the R25/7. If not, hopefully we’ll see you at a future event.

We’ll update this note over the next few days to ensure that it continues to show you the latest information.
