A NOTE FROM THE EVENT SECRETARY

What a difference to the October event with dry roads and very little wind. I had to pinch myself to check I was in the right location. It was great to see so many of you as we begin racing again and my thanks for all your kind comments.

Well done to all whom rode and congratulations to our course record breakers.

I think that for next year and our October event I will move the start time forward, as although we are well within traffic count I know some suffered from congestion at the Cotswold Water Park caused by hesitant riders.

A huge thank you to everyone who helped make this event possible including marshals, event officials, timekeepers, starters and signing on.

Course Record:

New course records for male and female were set today.
